So what are you waiting on? Begin your Heart Trouble Jae downloading and install journey today and experience all the advantages and convenience that the digital world of books needs to provide!

REVIEW OF HEART TROUBLE JAE

• and that's saying something. The books just keep getting better and better, and after so many novels, Pratchett has yet to repeat himself or slip into the all-to-easy fantasy stand-by of ripping of Lord of the Rings (unless you count the cameo appearance of Golom in *Witches Abroad*.) Commander Sir Samuel Vimes, by far my favorite Discworld character, is the focus of this latest instillation of the Discworld series. He's mean, violent, tough and increadably endearing. A devoted husband, soon-to-be father and workaholic copper, Vimes finds himself in what seems to be a no-win situation when a magical experiment gone wrong sends him back in time to the world of his youth. He arrives to find that the same accident has caused the death of his childhood mentor, John Keel, and now, if he doesn't want his life to be destroyed, he must assume the mans identity and teach young Sam what it means to be a good copper. Unfortunately, as Vimes recalls, Keel is destined to die in a few days time...This book is a perfect example of Pratchett's trademark combination of action, witt and philosophy. Old fans will adore meeting Nobby Nobbs as a street urchin, Havelock Vetinari as a student assassin, and Reg Shoe as a young (and very much alive) rebel-without-a-cause. As for new readers, just read the first sentence and see if you don't like it. Go on, I dare you. Here it is:"Sam Vimes sighed when he heard the scream, but he finished shaving before he did anything about it."Curious? Interested? I hope so.Terry Pratchett's writing style is so vivid and elegant that the reader is pulled right into the story. His writing is so good in fact that I think a reader would be justified in saying "I was there."

• What a great book . I enjoyed every bit of it!!! I lived in Rockford when this all happened. Greg did a great job.
