REVIEW OF ANSWERS TO CH 1 REVIEW IN DRIVE RIGHT TENTH EDITION

- Of Mice and Men is one of the most beautiful stories about friendship. The story is about two Americans. The thoughts and actions of the two southerners are made open for the reader to enjoy and judge. The

favorite character in the book is Lenny. He came out in the story as and was innocent person with a mental defect. It reminded me somehow of the hero in Disciples of Fortune. The amazing thing about this book is that not a lot of books are based on such unique characters. Another attractive aspect of Lenny is his physical strength and hardworking nature. Yet, despite his meek nature, he was dangerous in the sense that he even killed a woman out of fear. Steinbeck successfully created a philosophical twist to life through this story by bringing to life strong but vulnerable characters that we all can relate to.

• Of mice and men is a nice and short book.

This book is about two men George Milton and Lennie Small. Throughout the book, George and Lennie have many conflicts with each other and other characters. This book is about survival of the fittest, the weak die off and only the strong and capable survive. The conflicts George and Lennie encounter are all people with unique traits. In a sense this is also a book about a conflict between different people with different traits. I enjoyed this book because it's a simple book about common men. Almost anyone can relate to the characters in this book, which gives this book worthwhile to read. I recommend this book to anyone looking for a book that they can

really relate to themselves.
