REVIEW OF ISO 9000 QUALITY SYSTEMS HANDBOOK 4TH EDITION

- The book is nice, and reading it helped me realize what my scrapbooking style is. And it is definitely not what Big

Picture layouts feature. Cathy Zielske's "Clean and Simple" is much more my style. Again, don't get me wrong- Stacy Julian gives you great ideas, but you have to find your own style.

- I found the book to be very thought provoking. She is concentrating on what you scrap book more than how. Her layouts are nice, but that is not the focus of the book.
