REVIEW OF MAKING SOCIETIES BY WILLIAM G ROY

- Tho I prefer contemporary novels now (as I had tired of historicals a few years ago) I must say this was well worth my time! The characters are so real & the story is relatable to current times, despite the historical setting! Yup! You'll need some tissues for this, but, it's well worth it and it will leave you wanting more of Kristin's fiction!
- I think the author is a good read for me. Having said that, I have no problem recommending this book. Enjoyable.
