REVIEW OF MCGRAW HILL READER 11TH EDITION

- In "The Return Of The King" by J.R.R. Tolkien, Tolkien does a wonderful job of ending an amazing story that has branched through a mystical trilogy of magic, hope, good and evil...My favorite character in this book is Sam, my favorites have changed throughout the trilogy. He sticks with Frodo throughout the whole story and is his will when Frodo wants to give up. Sam puts his

life on the line for Frodo many times in this story, he was truly what kept Frodo going.I enjoyed the ending to this trilogy, some minor characters came into the spotlight and showed their true colors, and the book wrapped up nicely.

- The Two Towers starts right where the Fellowship of the Ring left off. Boromir is dead, the fellowship is broken and two hobbits are missing. Book three is the journey of Aragorn, Master Pergerin, Merry, Gilimi and Legolas search for the two missing hobbits Frodo and Master Samwise. Aragorn and the others venture through many lands and many perils. They meet with the Riders of Rohan who have light-footed horses and deadly bow

accuracy, the mysterious tree type Ents who seem to be older than anything on Middle-Earth. Book four is the quest of Frodo and Master Samwise. They find themselves lost in the lands of Gondor, Rohan and at the gates of Mordor, while being followed by the elusive Smeagol. Frodo and Samwise are on a hunt to find a passage into Mordor. To me this book was not the best out of the series but the ending was good. The first hundred pages start off slow, but when Aragorn meets up with the Riders of the Mark and they begin their march to the siege of Isengard to kill Saruman the book starts to pick up. Tolkien expresses the feeling of battle well so it is easy to follow. My favorite character out of the book is Samwise. His decisions are rash at times but I think Frodo should have sought council with him more often. It would have made the journey easier for the both of them. The end seems to express Sam as being smarter than Frodo because he seems to know what he's doing. Frodo was dazed and confused most of the time leaving Sam to do the thinking for the both of them.
