Reading Comprehension Skills Strategies Level 3 PDF downloads today and make use of the riches of info within your reaches. **Download Reading Comprehension Skills Strategies Level 3 PDF complimentary** and enhance your understanding experience!

REVIEW OF READING COMPREHENSION SKILLS STRATEGIES LEVEL 3

- On first picking up *East of Eden*, I wondered if I would or could like such a book. After having read Steinbeck's other work, *The Pearl*, I thought that *East of Eden* might end up being a long, overly drawn-out description of some vines running along a white wall. However, I was pleasantly surprised by this masterpiece, a great retelling of two classic biblical tales. The characters, if anything else, make this a fantastic read. Like a good 90% or more of Steinbeck works, *East of Eden* takes place primarily in the Salinas Valley of northern California. It details the lives of the Trask and Hamilton families, particularly of Adam and Charles Trask--the first generation, and Aron and Cal Trask--the second. Between each set of brothers stands the unequal love of a father, a darkness within a man's heart, and the recurring scar which comes to mark those who are "darker." From Adam and Charles to Aron and Cal, both sets of brothers face trials in their relationships, between the dichotomy of love and hate. This varying dynamic, polar in its nature, is touching in its realism. The depth of the characters, from their good sides to their bad, their joys and sorrows and triumphs and jealousies, make each pitiable and sympathetic in their own way. Cal, who is somewhat

of a protagonist in the second half, strives to find a balance between the good he wants to see in himself and the bad he knows is there. This battle, in his soul, is easily relatable to--a young boy who wants to be loved, doesn't know who he is, and wants to be more. Aside from the male figures, one of the other main characters, Cathy Ames, is considered the Eve of the story. While conventionally seen as a figure of pure evil, the bringer of sin into the world and upon men, I find her the most intriguing--and the most inspiring, of all. While she is depicted to commit evil after evil, senselessly drawing men into their dooms, feeling no remorse whatsoever, there lies the greatest hope in Cathy, who like Cal, seems aligned to the dark side in her nature. But for all of her evil, for every terrible act she makes, the hope of something good within her stirred more hope than any other element of the story. Cal, while inspiring in his struggles, is different from the tragically alone Cathy, whose seeming fall into the darkness draws me in more than anyone else. For her, I truly hoped some light would shed. All in all, I am delighted to have been able to read this novel. Though it was a rather long read, and for academic purposes, it was so enthralling that it drew me in from the get-go. A good two days into it and I was possessed, unable to put it down until I had finished. I would truly have to recommend this novel to anyone who has the time to sit down and plow through 600 pages--it's well worth it.

- *East of Eden* is a book that I have wanted to read for a long time but kept putting it off. I am so glad I purchased and read it recently. The sibling rivalry goes from generation to generation just like Cain and Abel in the book of Genesis in the Bible. I

certainly enjoyed the vivid descriptions of the characters and landscapes in this book. The text is excellent.
