**REVIEW OF SOLUTIONS TURKIYE B1**

- Small Gods isn't War and Peace, but it is one of the most memorable books I've ever read. To call it a classic is an understatement. It is one of the few books that could be called an owner's manual to life.
- Terry Pratchett draws on a number of thinly disguised analogies to religious beliefs of ordinary people. I found it absolutely hilarious as well as somewhat thought provoking. I highly recommend it to anyone who isn't sensitive to the religious puns.
