### More Welcome Speeches Red Wheel/Weiser

Frederick M. Hess and Michael Q. McShane have gathered a diverse group of scholars to examine the significant expansion of the federal role in education across the presidential administrations of George W. Bush and Barack Obama. The contributors address a wide range of topics, from standards and accountability to charter schools to the federal role in education research and the civil rights paradigm as a way of framing education issues. Bush-Obama School Reform offers a wealth of insight into the factors that support or constrain an expanded federal role in a range of education reforms and provides invaluable guidance for a changing era. "The best policy is designed for the future with a deep appreciation for what the past has taught. Bush-Obama School Reform, the first scholarly compendium of lessons from sixteen of the most active and activist years in education policy, launches a critical discussion." -Joanne Weiss, president, Weiss Associates, former chief of staff to US Education Secretary Arne Duncan, and former director, Race to the Top Program "These smart essays deftly explore the paradoxes, ironies, lessons, ambitions, brands, victories, and defeats of education reform at the federal level. The book serves as a cautionary tale of 'policy windows' that open wide nationally and the forces that slam them shut, and offers lessons for the next generation of education wonks." --Stefanie Sanford, chief,

Global Policy and External Relations, The College Board "This collection captures a fresh perspective on the politics and ideas that defined an era in education policy. Those working to shape the path forward should seek ways to build upon the lessons learned in Bush-Obama School Reform." --Roberto J. Rodriguez, former White House deputy assistant to President Barack Obama, and president and CEO, Teach Plus Frederick M. Hess is the director of education policy studies at the American Enterprise Institute. Michael Q. McShane is the director of national research at EdChoice.

#### How to Be an Effective Teacher Simon and Schuster

A WALL STREET JOURNAL BESTSELLER! "You can't really know anything if you just remember isolated facts. If the facts don't hang together on a latticework of theory, you don't have them in a usable form. You've got to have models in your head." - Charlie Munger, investor, vice chairman of Berkshire Hathaway The world's greatest problem-solvers, forecasters, and decision-makers all rely on a set of frameworks and shortcuts that help them cut through complexity and separate good ideas from bad ones. They're called mental models, and you can find them in dense textbooks on psychology, physics, economics, and more. Or, you can just read *Super Thinking*, a fun, illustrated guide to every mental model you could possibly need. How can mental models help you? Well, here are just a few examples... • If you've ever been overwhelmed by a to-do list that's grown too long, maybe you need the Eisenhower Decision Matrix to help you prioritize. • Use the 5 Whys model to better understand people's motivations or get to the root cause of a problem. • Before

concluding that your colleague who messes up your projects is out to sabotage you, consider Hanlon's Razor for an alternative explanation. • Ever sat through a bad movie just because you paid a lot for the ticket? You might be falling prey to Sunk Cost Fallacy. • Set up Forcing Functions, like standing meeting or deadlines, to help grease the wheels for changes you want to occur. So, the next time you find yourself faced with a difficult decision or just trying to understand a complex situation, let *Super Thinking* upgrade your brain with mental models.

## Welcome Speeches for Special Days Cengage Learning

Wall Street Journal bestseller "A welcome revelation." --The Financial Times Award-winning Wharton Professor and Choiceology podcast host Katy Milkman has devoted her career to the study of behavior change. In this ground-breaking book, Milkman reveals a proven path that can take you from where you are to where you want to be, with a foreword from psychologist Angela Duckworth, the best-selling author of Grit. Change comes most readily when you understand what's standing between you and success and tailor your solution to that roadblock. If you want to work out more but find exercise difficult and boring, downloading a goal-setting app probably won't help. But what if, instead, you transformed your workouts so they became a source of pleasure instead of a chore? Turning an uphill battle into a downhill one is the key to success. Drawing on Milkman's original research and the work of her world-renowned scientific collaborators, How to Change shares strategic methods for identifying and overcoming common barriers to change, such as impulsivity, procrastination, and forgetfulness. Through case studies and engaging stories, you'll learn:

- Why timing can be everything when it comes to making a change
- How to turn temptation and inertia into assets
- That giving advice, even if it's about something you're struggling with, can help you achieve

more Whether you're a manager, coach, or teacher aiming to help others change for the better or are struggling to kick-start change yourself, *How to Change* offers an invaluable, science-based blueprint for achieving your goals, once and for all.

### **Super Thinking** Penguin

Describes how, in 1992, a group of Yale law students came to the aid of three hundred Haitian men, women, and children who had won asylum in the U.S. but who, having tested positive for HIV, were forced into a Guantanamo compound and battled the Bush administration, the Justice Department, the American military, and the Supreme Court to achieve their release. Reprint. 25,000 first printing.

"Joyce Roché rose from humble circumstances to earn an Ivy League MBA and eventually become the first African-American vice president of Avon. She was later president of a leading hair care company and CEO of the nationally prominent nonprofit Girls Inc. But she never felt she deserved her success. In fact, the phrase "the empress has no clothes" kept running through her head. She was nothing like the emperor in the Hans Christian Andersen story -- she was certainly not a fraud. And yet that's how she'd always felt. Roché discovered there was a name for

this: the impostor syndrome. In this deeply personal memoir she shares her lifelong struggle with the imposter syndrome and offers advice and coping strategies based on her own experiences and those of other high-achieving leaders who have suffered from it."--Publisher website.

Extraordinary architecture addresses so much more than mere practical considerations. It inspires and provokes while creating a seamless experience of the physical world for its users. It is the rare writer that can frame the discussion of a building in a way that allows the reader to see it with new eyes. *Writing About Architecture* is a handbook on writing effectively and critically about buildings and cities. Each chapter opens with a reprint of a significant essay written by a renowned architecture critic, followed by a close reading and discussion of the writer's strategies. Lange offers her own analysis using contemporary examples as well as a checklist of questions at the end of each chapter to help guide the writer. This important addition to the *Architecture Briefs* series is based on the author's design writing courses at New York University and the School of Visual Arts. Lange also writes a popular online column for *Design Observer* and has written for *Dwell*, *Metropolis*, *New York* magazine, and *The New York Times*. *Writing About Architecture* includes analysis of critical writings by Ada Louise Huxtable, Lewis Mumford, Herbert Muschamp, Michael Sorkin, Charles Moore, Frederick Law Olmsted, and Jane Jacobs. Architects covered include Marcel Breuer, Diller Scofidio + Renfro, Field Operations, Norman Foster,

Frank Gehry, Frederick Law Olmsted, SOM, Louis Sullivan, and Frank Lloyd Wright.

Nonprofit leadership is messy Nonprofits leaders are optimistic by nature. They believe with time, energy, smarts, strategy and sheer will, they can change the world. But as staff or board leader, you know nonprofits present unique challenges. Too many cooks, not enough money, an abundance of passion. It's enough to make you feel overwhelmed and alone. The people you help need you to be successful. But there are so many obstacles: a micromanaging board that doesn't understand its true role; insufficient fundraising and donors who make unreasonable demands; unclear and inconsistent messaging and marketing; a leader who's a star in her sector but a difficult boss... And yet, many nonprofits do thrive. Joan Garry's Guide to Nonprofit Leadership will show you how to do just that. Funny, honest, intensely actionable, and based on her decades of experience, this is the book Joan Garry wishes she had when she led GLAAD out of a financial crisis in 1997. Joan will teach you how to: Build a powerhouse board Create an impressive and sustainable fundraising program Become seen as a 'workplace of choice' Be a compelling public face of your nonprofit This book will renew your passion for your mission and organization, and help you make a bigger difference in the world.

Abingdon Press

This book has been developed for both new and experienced principals; it lays out everyday challenges and administrative necessities to help principals plan strategically for the academic year. This work provides a month-to-month guide to make the school year run smoothly from opening to closing. Chapters cover key tasks for each month beginning in July: overview of tasks; communications--letters, memos, correspondence, media relationships; planning--workshops, orientations, field trips, fundraising activities; personnel--assignments, schedules, rosters,

tenure recommendations; and checklists to monitor progress with an assortment of tasks for each month. These checklists offer flexibility for modification, and the monthly calendar helps busy administrators avoid reinventing the wheel each year. Appendices include sample documents, teachers' manual index, and various memos covering fundraising, building security, class elections, locker cleanup, weekly memo, orientation agenda, and emergency drills, among others. (DFR)

## **REVIEW OF SAMPLE WELCOME SPEECH FOR SCHOOL AWARDS CEREMONY**

- By now most people know who Sedaris is, or isn't. Unless you've been living under a rock, you've either heard him on NPR or read something of his in Esquire or in paperback. "Dress your family" is great, but not his best effort. "Me Talk Pretty" is, with "Naked" not far behind. But even with that said, this is still one funny book. My only real hesitation/complaint was that I had read many of these stories/essays in Esquire and some place else--can't think of where. Then again, most authors present their work first in a magazine if they can, and later put their efforts into a book, so why shouldn't Mr. Sedaris? There's not a bad story in the bunch. The cover threw me off a bit, though. Great summer fun.
- David Sedaris's Dress Your Family in Corduroy and Denim is a reading experience much more than it is a book. The reason for this is that it is not a novel, nor a memoir, nor a work of non-fiction or much of any other genre that one simply thinks up when the word "book" is mentioned. Sedaris's newest work is rather the prose writer's version of a collection of poems: a collection of separate autobiographical essays mostly having the

purpose of entertaining the reader. Entertaining as they are, the problem with the book is that it seems Sedaris could have simply spit out hundreds of essays and picked at random the best ones and released them as a book. The essays only share the common thread that they are all about Sedaris. They seem to have no unified purpose or theme that they are trying to communicate. The book may have been better released as a weekly newspaper column rather than a single volume that deceives the consumer into thinking that it is a single comprehensive volume with a single purpose. The organization of the essays trick the reader into thinking that they may be reading a kind of choppy memoir, perhaps even excerpts from a larger memoir. Each essay stands alone as a separate entity. The essays as a result span a wide range of time and consequently, also span a wide range of topics. Sedaris writes about everything from Halloween episodes, snow storms, sleep-over parties, his life as a homosexual, being in the land lord business, his life in France and the birth of his brother's daughter. Granted, these subjects don't have much in common with the page-turning, suspense filled subject matter of writers like Dan Brown and Michael Chrichton. Nevertheless, Sedaris finds a way to make his stories incredibly interesting. He often incorporates his witty sense of humor into his stories. I personally nearly embarrassed myself reading in public places because I would usually laugh out loud upon reading one of Sedaris's clever phrases. Though the book lacked a sense of completeness, each individual essay was very well constructed and surprisingly entertaining. Sedaris distinguishes himself from other writers in that he is not shy in the least. The greatest thing about him is that he will say anything without the fear of being politically

incorrect, too rash or up front. One of my favorite examples of this kind of writing was when Sedaris describes the normal winter conditions while growing up in North Carolina. "What little snow there was would usually melt an hour or two after hitting the ground and there you'd be in your windbreaker and unconvincing mittens, forming a lumpy figure made mostly of mud, Snow Negroes, we called them." The root of Sedaris's humor lies in saying the unexpected. Rarely is his writing overly offensive or bawdy, but it does have a certain provocative quality that often catches the reader off guard. However there are some instances where Sedaris goes perhaps a little too far, usually when writing about his brother, Paul, who seems to be depicted as a rashly offensive person. Paul's crude sense of humor provides such an extreme contrast to Sedaris's dry, witty humor that it almost seems out of place in the collection of essays. Especially because Paul only appears in two or three of the book's two dozen or so essays, it almost seems like Sedaris turns to the dirty and

offensive as an unfair substitute for his legitimate, clever humor. The most disappointing aspect of the book is the conclusion. It is almost upsetting because the final essay ends on a similar note as the others. The only reason it is placed at the end of the book seems simply because it is the most recent chronologically. Throughout the entire book, it seems as though the reader is trying to figure out why these particular essays were presented together rather than separately. Instead the book simply just ends. Sedaris has nevertheless created an interesting and entertaining collection of autobiographical material. His zany cleverness, crisp writing and engaging voice come together to extract majesty from the mundane. Perhaps writing essays of everyday incidents makes the collection even stronger, giving the average audience member much more to relate to and connect with on a personal level. Though the essays don't seem to mesh together very well, Sedaris seems to conquer the lack of cohesion to make for a very enjoyable read filled with many laughs and life lessons.
