REVIEW OF BASIC CONCEPTS OF COMMUNITY HEALTH NURSING 2ND EDITION

- First off, this book was given to me as a gift. I wish now that I had never cracked the cover. I do have to admit that some of the book is helpful...the part about how your guy wants to be respected and how he needs words of affirmation often...yep, that was helpful, but unless you just really really want to know the things that men think I

would not read this book. If you are in a happy relationship and you know without a shadow of a doubt in your heart that your guy loves you, then I see no reason for you to read this book. When I read the chapter about how guys picture most attractive women naked and undresses them with their eyes I thought I would just die. When I asked my guy about it and he assured me that yes, this is in fact what men do, I tormented myself for a good week disgusted that my guy is doing stuff like that. Before I go on let me say that I am in my 20's and I am a size 2....so it's not like I am overweight and don't take care of myself (I'm at the gym every night). Before I learned

about this disturbing behavior I felt confident with myself, I completely trusted the behavior of my guy, and I felt like I was the "one and only" in my guys eyes. To know that he is undressing girls in his head has really cut my confidence by about 50%. So girls....unless you just really want to dig in deep and learn about what your guy really thinks, I would just stick to the idea that "ignorance is bliss" and don't read this book. Honestly, I wish now that I had never read it.

- Excellent! This book has been a blessing and a revelation. It answered a lot of questions I had and gave me answers to some I didn't have, but am so glad I now know. Ladies this is the book

that gives you the insight you wished you had always had. We really were made different. My sincere THANKS to the author and the men who opened their hearts to this project. Their honesty was not easy at times, but for those who take the time to read this book, you will be better off for it. God bless!
