possibilities are limitless. Pleased reading!

#### **REVIEW OF GEOPOLIS LIBRO GEOPOLIS LIBRO BOOK ME NET**

- It's a so-so novel, but I'm sick of the mediocrity being blamed on CP's age. It's his excessive unnecessary, irrelevant details and boring protagonist. The obvious Star Wars and LOTR plagiarism is a nuisance, to say the least, and I'm tired of females like Arya--boring and one-dimensional. Saphira is mildly amusing, and Brom is rather interesting. Angela is... a bit too goofy. I love Murtagh (despite the cliché evil father thing), and Nasuada isn't so awful, but Eragon kills me, as does Roran, as does Arya. It's sort of worth reading. All that can be said. It is not original or anything, but it's a solid novel. Get over the ageism, people.

- When Eragon stumbles upon a strange rock in the Spine while hunting, he never expected it to hold his future inside. This `rock' was actually a Dragon egg, and when it hatched for Eragon he had to keep it secret, for if he were to be exposed as a Dragon Rider he would have to fight the empire. Eragon's decisions will change the fate of his Kingdom. Eragon was amazing, though hard to get into in the first two chapters, ended up unfolding into the most amazing world of action, betrayals, friendships, and life defining decisions. Eragon's Allegaisia was not difficult to understand or too complicated to follow. Christopher's writing style is easily understood, and very engrossing. There are few who will not enjoy the amazing tale of Eragon and his Dragon.
