REVIEW OF AP BIOLOGY 8TH EDITION

- I love this book. I read the abridged version when I was in junior high and when I saw that it was on kindle I had to read it. It's a wonderful adventure that totally swept me back a 150 years to Africa. Good read!
- This story is excellent and very

interesting some parts, although there is a vague description of the lamas monastery . the beginning of the book is very compelling but towards the middle the speed of the book decreases greatly.

the characters have very interesting mind sets. as the secrets of shangri-la reveal the book becomes very fun to read. i would definately reccomend you read this.
