*The Trail of the Fox* Iron Heart Publishing

Jerusalem in the Qur'an made its debut at a crucial time when the morale of the Muslims was not only at its lowest... but is continually sinking... The blatant incessant Israeli incursions in the Holy Land go unabated, and Muslims are echoing the very words that their fellow brethren called out unto their Lord when they were being persecuted at the hands of the kuffar of Makkah: "When will the help of Allah come?" Shaikh Imran's insight into the events that are unfolding in the world today is a source of inspiration for Muslims for he convincingly argues from his scholarly interpretations of the Divine Writ (i.e., the Holy Qur'an) and the Ahadith of the Prophet Muhammad (sallallahu 'alaihi wa sallam) that the help of Allah (subhanahu wa ta'alah) is at hand, that the Holy Land will be liberated, and that Islam will re-emerge as the 'Ruling State' in the world. The reader will be enthralled by the author's grasp on world politics. Jerusalem in the Qur'an comes as a ray of sunshine for Muslims and is an eye-opener for the so-called 'People of the Book'. Though Jerusalem in the Qur'an is a meticulously written thesis combining religious and historical documents with recent political events and penetrating interpretations from the Qur'an and Hadith, it runs like a story. Once you begin reading it, it is hard to stop ... It is a reference that one needs to keep and re-read whenever the subject is to be researched. The book gives a detailed beautifully written exposition of these episodes with brilliant interpretations from the Holy Qur'an and Sunnah. No one would fail to appreciate his penetrative thought and his spiritual depth.

*The Study Quran* Iron Heart Publishing

An accessible and accurate translation of the Quran that offers a rigorous analysis of its theological, metaphysical, historical, and geographical teachings and backgrounds, and includes extensive study notes, special introductions by experts in the field, and is edited by a top modern Islamic scholar, respected in both the West and the Islamic world. Drawn from a wide range of traditional Islamic commentaries, including Sunni and Shia sources, and from legal, theological, and mystical texts, The Study Quran conveys the enduring spiritual power of the Quran and offers a thorough scholarly understanding of this holy text. Beautifully packaged with a rich, attractive two-color layout, this magnificent volume includes essays by 15 contributors, maps, useful notes and annotations in an easy-to-read two-column format, a timeline of historical events, and helpful indices. With The Study Quran, both scholars and lay readers can explore the deeper spiritual meaning of the Quran, examine the grammar of difficult sections, and explore legal and ritual teachings, ethics, theology, sacred history, and the importance of various passages in Muslim life. With an introduction by its general editor, Seyyed Hossein Nasr, here is a nearly 2,000-page, continuous discussion of the entire Quran that provides a comprehensive picture of how this sacred work has been read by Muslims for over 1,400 years.

As the war on Islam intensifies, and as the day approaches when the imposter Euro-Jewish State of Israel would make its bid to become the ruling State in the world, and the false Messiah (i.e., Dajjal) would rule the world from Jerusalem and declare that he is the true Messiah, I fear that there would be many, particularly governments which declare their friendship for USA and hence for Israel, who would want to ban books on the Qur'an. I therefore pray most humbly, and ask my gentle readers to also kindly join in the prayer, that Allah Most High might protect books (such as this humble quartet of books on Sūrah al-Kahf) that use the blessed Qur'ān to explain, to expose and to challenge those in the godless modern age who are waging wicked war on Islam. Amin. This first volume of four, containing 'Text Translation and Modern Commentary of Sūrah al-Kahf', makes its appearance just before our main work on the subject entitled 'Sūrah al-Kahf and the Modern Age' is to be published, and is meant to function as a companion volume to that main work. We propose, Insha Allah, to publish a third and fourth volume on this subject in which we would like to offer to the reading public a comprehensive and credible modern interpretation of the Ahadith and Qur'anic verses dealing (directly and indirectly) with the critically important topics of Dajjal the false Messiah or Anti-Christ, and of Gog and Magog. If any such books have already been written and published, they must be very few indeed.

*Lectures of Sheikh Imran N. Hosein* Franklin Classics Trade Press

One of the elite scholars in Baghdad's prestigious House of Wisdom, al-Khwarizmi is best remembered for his famous work *Al-Jabr wa al-Muqabala*, the text that defined the branch of mathematics known as algebra. He was also an accomplished astronomer and geographer. This fascinating biography describes in vivid detail the Islamic world's Golden Age, a period during the Middle Ages when learning and scientific advancement were revered and honored. Readers will learn what is known of al-Khwarizmi's life, as well as the pertinent history of both the Arab world and the fields of science in which al-Khwarizmi excelled.

*The End of the World* Harper Collins

This is a third publication in the Ansari Memorial Series, published in honor of my teacher and Shaikh of blessed memory, Maulana Dr. Muhammad Fadlur Rahman Ansari (1914 - 1974). The previous two publications were entitled: 'The Religion of Abraham and the State of Israel - A View from the Qur'an', and 'The Importance of the Prohibition of Riba in Islam'. Much of the research work for this book was done during the years 1975-1979 at the United Nations Library in the Palais des Nations,

Geneva, while I was a doctoral student in International Relations at the Graduate Institute of International Studies, Geneva. We are experiencing, at the time of writing a rapidly deteriorating situation in today's Muslim World with bloody conflicts inflicting unimaginable suffering on innocent Muslims in Bosnia, Kashmir, Algeria, Palestine, Chechnya etc. Yesterday it was fifty thousand Muslim women raped in Bosnia, and today's horror stories are about a son who was forced to bite off his Muslim father's testicles in Bosnia, and the innocent blind Muslim Shaikh, Omar Abdul Rahman, who was condemned to life imprisonment in USA (because he posed too great a threat to the pro-west secular regime which rules Egypt), and who is sexually humiliated by prison guards whenever he has a visitor at prison. I am now convinced that the time has at last come for this work to reach the Muslim public who may now be sufficiently shaken up to look seriously for the causes of our impotence. They may, as a consequence, take this work seriously and brush off the expected protests from establishment scholars, and the governments that they support, around the Muslim world!

*The False Messiah* Oxford University Press

In recent times things have become very confusing and we have begun to see in book stores and on websites speculations about future events, based on ayah and hadeeths which refer to these future events concerning the signs of the Hour. Sometimes you hear about the appearance of the Mahdi, sometimes you hear that the final battle between the Good and the Evil is close at hand, other time you hear some thing happening in the East or in the West. So, learn about the Final hour and it signs by reading this book which is backed by proofs from Quran and Hadith.

*The Qur'an, the Great War, and the West* AHTLE FIGUEIRA

Constantinople In The Qur'an

*Signs, Symptoms, and Cures of the Spiritual Diseases of the Heart : Translation and Commentary of Imam Mawlud's Matharat Al-Qulub* Constantinople In The Qur'an In consequence of a mysterious decision taken by Mustafa Kemal's secular Republic of Turkey to not only change the city's name,

but to also take steps that eventually ensured that the name, Constantinople, would no longer be used, this writer had to retrieve the name "Constantinople" from the museums of history in order for this book to be written. Why did the secular Turkish leader change the name of the city? Why did the name "Constantinople" have to suffer that mysterious fate? This book brings clarity to that subject. This writer is convinced that the mysterious disappearance of the name "Constantinople" from the modern-day vocabulary and discourse is directly linked to the status and role of the city in both Islamic and Christian eschatology. Jerusalem in the Qur'an An Islamic View of the Destiny of Jerusalem Jerusalem in the Qur'an made its debut at a crucial time when the morale of the Muslims was not only at its lowest... but is continually sinking... The blatant incessant Israeli incursions in the Holy Land go unabated, and Muslims are echoing the very words that their fellow brethren called out unto their Lord when they were being persecuted at the hands of the kuffar of Makkah: "When will the help of Allah come?" No one would fail to appreciate his penetrative thought and his spiritual depth. Islam and Buddhism in the Modern World The Qur'an, Dajjal, and the Jasad This book is devoted to a study of the Jasad, whom the Prophet-King Solomon ('alayhisalam) saw sitting on his throne, and the first problem we encounter in this study is that neither the Qur'an nor the Prophet Muhammad's (sallallahu 'alayhi wasallam) Hadith explain who this Jasad truly is. This book has, therefore, been written with the specific purpose of inviting a scholarly response to this subject of the Jasad, from those who defend the salafi methodology, as well as those who defend the methods by which the Qur'an is studied in the Dar al-Ulum... Imran N. Hosein was born in Trinidad, West Indies. He studied under the guidance of the distinguished scholar of Islam, Maulana Dr. Fadlur Rahman Ansari, at the Aleemiyah Institute of Islamic Studies, Karachi, Pakistan. He is also a post-graduate of Philosophy from the Karachi University of West Indies, and a Post Graduate of International Relations from the University of the West Indies, Trinidad and the Graduate Institute of International Studies, Geneva, Switzerland. Methodology for the Study of the Qur'an A comprehensive guide to a proper study of the Qur'an using Islamic Epistemology and the methodologies of scholars who are renowned for the integrity of their scholarship, such as the honored Dr. Muhammad Fadhlur Rahman Ansari. The Qur'an, the Great War, and the West

In this book, Nicolas Laos studies the meaning of the terms "world" and "order," the moral dimensions of each world order model, and wider issues of meaning and interpretation generated by humanity's attempt to live in a meaningful world and to find the logos of the beings and things in the world. The aim of this book is to propose a unified theory of world order (i.e., a theory that combines philosophy, theology, and political theory). In this context, the author provides a thought-provoking (re)interpretation of classical philosophy (placing particular emphasis on Platonism), an in-depth inquiry into medieval philosophy and spirituality (placing particular emphasis on the cultural differences between the Greek East and the Latino-Frankish West), and an intellectually challenging review and evaluation of modern Western philosophy (including Descartes, Spinoza, Leibniz, Locke, Berkeley, Hume, Rousseau, Kant, Hegel, Kierkegaard, Husserl, and Heidegger) and of Nietzsche's and the postmodernists' revolt against modernity. He then elucidates the philosophical foundations and "pedigree" of each of the three basic political theories of modernity (i.e., Liberalism, Communism, and Fascism), and he studies the basic theoretical debates in International Relations, Geopolitics, and Noopolitics. Finally, Laos proposes a new, "fourth," political theory which he calls "metaphysical republicanism."

*Beyond September 11* M.E. Sharpe

History began with a Divine warning not to approach a forbidden tree of lust to rule over others. History is ending with that new actor on the stage of the world displaying an unprecedented imperial lust to rule the world. That new actor possesses power unprecedented in human history and has already used that power through Gog and Magog to spread himself out in all directions as he took control of the world. He then proceeded to liberate the Holy Land for the Jews, to bring them back to the Holy Land to reclaim it as their own two thousand years after they had been expelled from it by Divine decree, and to restore in the Holy Land a State of Israel. That mysterious new actor is now preparing the way for Israel's Pax Judaica to replace USA's Pax Americana. This pioneering book on Islamic Eschatology has identified that strange and mysterious new actor who occupies center-stage in the world in the End-time, and who brought modern western civilization into being, as Dajjal the false Messiah.

**Father of Algebra and Trigonometry** The Rosen Publishing Group, Inc

This boy will die in eight hours. That's not soon enough for his enemies. Jamie Sheridan, a 17-year-old trapped in a dead-end town, is suffocating. Grief over his parents' demise and his brother's descent into the bottle leads Jamie to seek a way out. Yet the night he tries to escape, the final countdown on his life begins. In a matter of minutes, one of his mentors is killed, and people he trusted - neighbors, peers, even his English teacher - are coming after him, heavily armed. Jamie flees into the night, desperate and seeking hope from the two friends he believes he can count on - Samantha and Michael. Yet both of them may become targets as well, for the stakes are too high, the clock ticking too fast. Jamie will soon learn the devastating truth about secrets born in another universe, and a monstrous, genetic seed that will arrive upon his death, shaping the fate of two universes. So the chase is on - eight hours to avoid assassins or live in the safety of those who wish to him to play out his destiny. Either way, he's dead. The chase to an impossible future begins now ...

*An Islamic View of the Destiny of Jerusalem* Dar-Salam.Org

What if Islam never existed? To some, it's a comforting thought: no clash of civilizations, no holy wars, no terrorists. But what if that weren't the case at all? In *A World Without Islam*, Graham E. Fuller guides us along an illuminating journey through history, geopolitics, and religion to investigate whether or not Islam is indeed the cause of some of today's most emotional and important international crises. Fuller takes us from the birth of Islam to the fall of Rome to the rise and collapse of the Ottoman Empire. He examines and analyzes the roots of terrorism, the conflict in Israel, and the role of Islam in supporting and energizing the anti-imperial struggle. Provocatively, he finds that contrary to the claims of many politicians, thinkers, theologians, and soldiers, a world without Islam might not look vastly different from what we know today. Filled with fascinating details and counterintuitive conclusions, *A World Without Islam* is certain to inspire debate and reshape the way we think about Islam's relationship with the West.

**Guide to Islamist Movements** George Weidenfeld & Nicholson

Afflictions that assail and control people--such as miserliness, envy, treachery, malice, and arrogance--are examined in a study that discusses the causes and cures of these diseases and reveals how Islamic spirituality deals with spiritual and psychological problems. Original.

*The Life of Field-Marshal Erwin Rommel* Createspace Independent Publishing Platform

I have followed with indescribable pain the cowardly American terrorist attacks on those Muslims of Afghanistan who took a stand for Islam and who were entirely innocent of the September 11th terrorist attack on America. America has consistently followed the same policy of ruthless merciless oppression from the time of the extermination of the indigenous American-Indian peoples and the enslavement of the African people in the Americas to the absolutely shameless support for the relentless oppression of the State of Israel in the Holy Land. Only those who are completely blind and totally corrupted in respect of their capacity for understanding can fail to see the above. It was cowardly because the godless enemy is too terrified to ever fight a Muslim on a level battleground. That enemy fights his cowardly battles from the safety of fighter aircrafts, helicopter gun ships, massive bombs, guided missiles, etc., far up in the sky. But Allah Most High will surely bring us that day, Insha Allah, when we will be able to face the enemy on the ground on a level battleground. Amin! Until that day comes we must continue our struggle to defend ourselves and to resist oppression while showing utmost patience and while holding on to faith. The struggle must continue regardless of the price we have to pay.

**Methodology for the Study of the Qur'an** Iron Heart Publishing

This book was originally written by Ibn Kathir over 1300 years ago in many languages. Many writers copied his writing. All of Ibn Kathir's books can be found in Mecca's Library. He has written over 60,000 pages and he was blind. Amazing! In recent times things have become very confusing and we have begun to see in book stores and on websites speculations about future events. Sometimes you hear about the appearance of the false Messiah, sometimes you hear that the final battle between the Good and the Evil is close at hand, other time you hear something happening in the East or in the West. So, learn about the Final hour and its signs by reading this book which is backed

by proofs from the Quran, Bible, and the Torah.

#### **REVIEW OF MAULANA IMRAN HOSEIN BOOKS IN URDU WEBSITES IMRANHOSEIN**

- I decided to read the book after seeing the movie. The movie left me desperately wanting to find out how it ends. It was a great quick read that I would recommend to anyone who enjoys a little adventure!
- I own many copies of the Hobbit to include the audio and ebook. This is a perfect travel version and read it often. Font size is perfect for me and the maps in the cover are great for quick reference. I have noticed a large number of one star reviews for this product that have nothing to do with it with most being either the Kindle version or the audiobook. Take heed when you look at the reviews.
