*8 And I Believe In The Turtles* Yearling

A boy who has spent his life living inside a shell discovers the importance of taking chance in this "winner" (Booklist, starred review) of a friendship story that's perfect for fans of Wonder. Seventh grade is not going well for Will Levine. Kids at school bully him because of his funny-looking chin. And for his bar

mitzvah community service project, he's forced to go to the hospital to visit RJ, an older boy struggling with an incurable disease. At first, the boys don't get along, but then RJ shares his bucket list with Will. Among the things he wants to do: ride a roller coaster, go to a school dance, swim in the ocean. To Will, happiness is hanging out in his room, alone, preferably with the turtles he collects. But as RJ's disease worsens, Will realizes he needs to tackle the bucket list on his new friend's behalf before it's too late. It seems like an impossible mission, way outside Will's comfort zone. But as he completes each task with RJ's guidance, Will learns that life is too short to live in a shell. "Everyone deserves a friend like Will Levine." --Lynne Kelly, author of *Song for a Whale*

#### I Believe In The Turtles Independently Published

In Jennifer L. Holm's New York Times bestselling, Newbery Honor winning middle grade historical fiction novel, life isn't like the movies. But then again, 11-year-old Turtle is no Shirley Temple. She's smart and tough and has seen enough of the world not to expect a Hollywood ending. After all, it's 1935 and jobs and money and sometimes even dreams are scarce. So when Turtle's mama gets a job housekeeping for a lady who doesn't like kids, Turtle says goodbye without a tear and heads off to Key West, Florida to live with relatives she's never met. Florida's like nothing Turtle's ever seen before though. It's hot and strange, full of rag tag boy cousins, family secrets, scams, and even buried pirate treasure! Before she knows what's happened, Turtle finds herself coming out of the shell she's spent her life building, and as she does, her world opens up in the most unexpected ways. Filled with adventure, humor and heart, Turtle in Paradise is an instant classic both boys and girls with love. Includes an Author's Note with photographs and further background on the Great Depression, as well as additional resources and websites. Starred Review, Kirkus Reviews: "Sweet, funny and superb." Starred Review, Booklist: "Just the right mixture of knowingness and hope . . . a hilarious blend of family drama seasoned with a dollop of adventure."

**I Just Love Freaking Turtles Okay** Simon and Schuster

A lavishly illustrated guide to the world's turtles that covers every family and genus Turtles of the World reveals the extraordinary

diversity of these amazing reptiles. Characterized by the bony shell that acts as a shield to protect the softer body within, turtles are survivors from the time of the dinosaurs and are even more ancient in evolutionary terms than snakes and crocodilians. Of more than 350 species known today, some are highly endangered. In this beautiful guide, turtle families, subfamilies, and genera are illustrated with hundreds of color photographs. Each genus profile includes a population distribution map, a table of information, and commentary that includes notable characteristics and discussion of related species. More than 250 beautiful color photos Each profile features a distribution map, table of information, and commentary Broad coverage includes every family and genus

### **Sea Turtles** Charlesbridge

A scrapbook journal explains the nesting cycle of loggerhead sea turtles and how volunteers help them, and describes the natural life along the southeastern coast, including local shore birds, shells, and the sea turtle hospital.

*Turtle, Turtle, Watch Out!* Independently Published

A tale set in the 1970s American South shares the story of Lovie Rutledge, who reflects on a summer during which a beach vacation to escape her unfaithful, disdainful husband culminates in a fateful romance with a handsome biologist.

*6 And I Believe In The Turtles* Arbordale Publishing

A timely, tender, and compassionate tale of perseverance, love, and the bonds of family in the face of tremendous and sometimes painful upheaval in this latest novel in the New York Times

bestselling Beach House series. The coming of spring usually means renewal, but for Linnea Rutledge, this spring is a season of challenge. Linnea faces another layoff, this time from the aquarium she adores, and her family's finances, emotions, and health teeter on the brink. To complicate matters, her new love interest, Gordon, struggles to return to the Isle of Palms from England. Meanwhile, her old flame, John, turns up from California and is quarantining next door. She tries to ignore him, but when he sends her plaintive notes in the form of paper airplanes, old sparks ignite. When Gordon at last reaches the island, Linnea wonders—is it possible to love two men at the same time? Love in the time of COVID-19 proves challenging, at times humorous, and ever changing. Relationships are redefined, friendships made and broken, and marriages tested. As the weeks turn to months, and another sea turtle season comes to a close, Linnea learns there are more meaningful lessons during this summer than opportunities lost: that summer is a time of wonder, and that the exotic lives in our own backyards. Poignant and moving, *The Summer of Lost and Found* is “a novel of growing up, saying goodbye to the past, and learning to ask yourself the hard questions, including one of the most vital of all: ‘Who do you really want to be’” (Kristin Harmel, New York Times bestselling author).

*Turtle in Paradise* Triangle Interactive, Inc.

*Sea Turtle Research and Conservation: Lessons From Working in the Field* is a comprehensive reference of experiences with sea turtle species from global experts. This book looks at the human side of protecting and studying these unique animals around the world, as well as the challenges involved, such as cultural differences and conducting research in remote locations. Led by a renowned expert in sea turtle conservation, this book addresses the largest issues the sea turtle species are facing currently. Nearly all species of sea turtles are endangered due to illegal hunting, getting caught in fishing gear, climate change, and more. Chapters in this book range from the use of cutting-edge technology to learn more about this elusive reptile, to working with communities with long histories of sea turtle trade and consumption. It provides readers with firsthand accounts of sea turtle conservation efforts from conservationists based around

the world and offers important suggestions and solutions for ensuring the future of these sea turtle species. *Sea Turtle Research and Conservation: Lessons From Working in the Field* is a valuable resource for field biologists, marine conservationists, and policymakers, especially those connected with marine conservations, wildlife protection, and sustainable development. Offers examples of groundbreaking technology to conduct noninvasive sea turtle research. Written by global experts working in the field to study and protect sea turtle species. Includes human-to-human case studies and advice for collaborating with cultures and communities to save these endangered animals.

*Tudley Didn't Know* Chronicle Books

Humans offer a helping hand. Sea turtles face many dangers as they grow, eat, travel, and breed. In this dramatization of one female turtle's challenges, acclaimed nature writer April Pulley Sayre highlights the role that humans have in helping this endangered species. Previously published, this story has been re-illustrated by Annie Patterson. Information on sea turtle conservation efforts and the seven species of sea turtles is included.

## **REVIEW OF TURTLE SUMMER A JOURNAL FOR MY DAUGHTER**

- The text of this book is extremely informative, focusing on great works, and great museums, mostly in the West. Mr. Hoving's enthusiasm for art, and the great masterpieces, is infectious. The book is limited, however, by too few, and

inadequate pictures. There are two full color sections, and small B&W pictures throughout, but many of the pieces he describes are not shown. I guess that fully illustrating the book would be expensive, but it is difficult, even for Mr. Hoving, to adequately describe a masterpiece with words alone. He has met his goal, however, by introducing the reader to the various "isms", and stimulating one's curiosity. He advises one to "saturate" themselves in art, which, if time allows, I will strive to do.

- Mary's Land brings the old pages of history to life and makes the people live and breathe - Another of Lucia St. Clair Robson's "can't put down books" - and as soon as I've finished I want more - her facts are always correct and she has a wonderful feel for putting them into words that create pictures in the soul.
