A deeply personal memoir of the private Ray Charles - the man behind the legend - by his eldest son. Ray Charles is an American music legend. A multiple Grammy Award-winning composer, pianist, and singer with an inimitable vocal style and a catalog of hits including "What I Say," "Georgia on My Mind," "Unchain My Heart," "I Can't Stop Loving You," and "America the Beautiful," Ray Charles's music is loved by fans around the world. Now his eldest son, Ray Charles Robinson Jr., shares an intimate glimpse of the man behind the music, with never-before-told stories. Going beyond the fame, the concerts, and the tours, Ray Jr. opens the doors of his family home and reveals their private lives with fondness and frankness. He shares his father's grief and guilt over his little brother's death at the age of five — as well of moments of personal joy, like watching his father run his hands over the Christmas presents under their tree while singing softly to himself. He tells of how Ray overcame the challenges of being blind, even driving cars, riding a Vespa, and flying his own plane. And, in gripping detail, he reveals how as a six-year-old boy he saved his father's life one harrowing night. Ray Jr. writes honestly about the painful facts of the addiction that nearly destroyed his father's life. His father's struggles with heroin addiction, his arrests, and how he ultimately kicked the drug cold turkey are presented in unflinching detail. Ray Jr. also shares openly about how, as an adult, he fell victim to the same temptations that plagued his father. He paints a compassionate portrait of his mother, Della, whose amazing voice as a gospel singer first attracted Ray Charles. Though her husband's drug use, his womanizing, and the paternity suits leveled against him constantly threatened the stability of the Robinson home, Della exhibited incredible resilience and inner strength. Told with deep love and fearless candor, *You Don't Know Me* is the powerful and poignant story of the Ray Charles the public never saw — the father and husband and fascinating human being who also happened to be one of the greatest musicians of all time.

From D.W. Griffith's Birth of a Nation in 1915 to the recent Get Out, audiences and critics alike have responded to racism in motion pictures for more than a century. Whether subtle or blatant, racially biased images and narratives erase minorities, perpetuate stereotypes, and keep alive practices of discrimination and marginalization. Even in the 21st century, the American film industry is not "color blind," evidenced by films such as Babel (2006), A Better Life, (2011), and 12 Years a Slave (2013). The Encyclopedia of Racism in American Film documents one facet of racism in the film industry, wherein historically underrepresented peoples are misrepresented—through a lack of roles for actors of color, stereotyping, negative associations, and an absence of rich, nuanced characters. Offering insights and analysis from over seventy scholars, critics, and activists, the volume highlights issues such as: Hollywood's diversity crisis White Savior films Magic Negro tropes The disconnect between screen images and lived realities of African Americans, Latinos, Native Americans, and Asians A companion to the ever-growing field of race studies, this volume opens up a critical dialogue on an always timely issue. The Encyclopedia of Racism in American Film will appeal to scholars of cinema, race and ethnicity studies, and cultural history.

**Ray - Music from the Motion Picture Soundtrack (Songbook)** Crown

For a generation of musicians and fans, the late Ray Charles provided the catalyst that fused the previously largely exclusive genres of jazz, blues and

gospel music. In an era when jazz and pop music were seemingly poles apart, the impact of Charles' music was truly revolutionary in that it brought together these strands and fans for the first time. This critically acclaimed biography traces Ray Charles' amazing story from the abject disadvantage of being orphaned, black and blind in the South of the 1930s to the height of international success. With many quotes and exclusive interviews, including several with Ray Charles himself as well as from those who worked with, or were simply influenced by, the man who more than anyone else could truly be called the founding father of soul music. Mike Evans was a regular contributor to Sounds, Cream, and Melody Maker. He is also the author of books on The Beatles, Elvis Presley and the music in New York. Paperback edition.

The basis for the new hit documentary 1971: The Year That Music Changed Everything, now streaming on Apple TV+. A rollicking look at 1971 - the busiest, most innovative and resonant year of the 70s, defined by the musical arrival of such stars as David Bowie, Pink Floyd, Led Zeppelin, and Joni Mitchell. On New Year's Eve, 1970, Paul McCartney told his lawyers to issue the writ at the High Court in London, effectively ending The Beatles. You might say this was the last day of the pop era. The following day, which was a Friday, was 1971. You might say this was the first day of the rock era. And within the remaining 364 days of this monumental year, the world would hear Don McLean's "American Pie," The Rolling Stones' "Brown Sugar," The Who's "Baba O'Riley," Zeppelin's "Stairway to Heaven," Rod Stewart's "Maggie May," Marvin Gaye's "What's Going On," and more. David Hepworth, an ardent music fan and well-regarded critic, was twenty-one in '71, the same age as many of the legendary artists who arrived on the scene. Taking us on a tour of the major moments, the events and songs of this remarkable year, he shows how musicians came together to form the perfect storm of rock and roll greatness, starting a musical era that would last longer than anyone predicted. Those who joined bands to escape things that lasted found themselves in a new age, its colossal start being part of the genre's staying power. Never a Dull Moment is more than a love song to the music of 1971. It's also an homage to the things that inspired art and artists alike. From Soul Train to The Godfather, hot pants to table tennis, Hepworth explores both the music and its landscapes, culminating in an epic story of rock and roll's best year.

## REVIEW OF RAY CHARLES GEORGIA ON MY MIND BS GSS

- In a twisted (mis)reading of the Foundation series, the Japanese terrorist cult Aum Shinrikyo used Asimov's epic as a prophecy of upcoming apocalypse and converted dim-sighted guru-dictator Shoko Ashara into an incarnation of Hari Seldon. Worthwhile to sharpen your wits as you read the story to see how the zealots got it wrong -- but also how they could easily pervert Asimov's points. (See David Kaplan and Andrew Marshall's book, "The Cult at the End of the World.")

- Cities of the Red Night is William Burroughs's magnum opus, the most sublime manifestation of his genius. From the opening chapter titles and hallucinatory invocation to the exquisitely fashioned closing dream sequence, each word bears the stamp of the studiously enigmatic visionary stylist. This novel impressed itself to the point that I met one of the characters in a dream, a truly disorienting experience. Sure, it's disjointed. Inoculation to the parasitic authority of the word virus, to see and feel in another medium, whaddaya think the poor guy's tryna say here, anyways?
