REVIEW OF SCIENCE OLYMPIAD QUESTIONS AND ANSWERS

- I have nothing against religion, but I was very surprised to see that a large portion of this book is a fictional account of Joseph writing about fathering Jesus. Yes, there are probably good lessons to be learned here, but I couldn't get past the religious aspects of the writing to see them.
- Every one of her books I read I absolutly love! This story is one of my favorites because Marc is so kind in the beginning and turns into a complete ass when they return to London! I love that his friends and family see him in total love and bring him to his senses and that the heroine, Meg, actually has a brain and a spine and isn't just someone needing saving! Please ER give us more!
