REVIEW OF PASTOR STEPHEN BOHR THE SEVEN TRUMPETS

- First off I gave this book a four because, in my opinion, it was not as good as Lord of the Rings which I proudly would rate a five. Writers mature, getting better in their writing style on their second/third book. Tolkien did a fabulous job on the Hobbit. Humor, conflict, but no romance. Good for children, good for just anyone. I thought Bilbo to be hilarious, the dwarfs just as funny. A true classic was the Hobbit that it will remain on my "read again" books forever, until I die of course. If you haven't read it yet I highly recommend for anyone who is looking for a good book to try this one out. I know others have said it, and I won't be the last but Tolkien was a master writer of our time!!

- JR R Tolkien the Hobbit is one of my all time favourites. I am a non fiction reader except for this book and the Lord of the Rings.
