REVIEW OF POLAR AND NONPOLAR

MOLECULES WORKSHEET

- I always love stories about the English and also like Evelyn Waugh's manner of writing. I did find that I was sometimes lost due to the flashbacks etc.

- Abigail Thomas's short memoir, "Safekeeping," was

recommended to me in a class on writing memoir. I like Ms. Thomas's style, the way some pages are a single, sensory impression and others recount a scene or an episode in her life. She writes with humor. She writes with wisdom. This is a quick read, but an important one. It gives me hope for my own writing.
