REVIEW OF ENGINEERING CHEMISTRY SHASHI CHAWLA

- This is a good basic primer for any beginning wiccan gardener. Fun and easy read, and good 'entrylevel' reference.
- The definitive English translation of this important work by the reformer John Calvin, this is a must for any theological or devotional library. This is also an important work to read, understand and interact with if one is going to ultimately dismiss Calvin's theology since saying "Calvin was a fatalist, so I want nothing to do with him" is intellectually dishonesty at high (if not highest) form. Pick this up, read it, compare it to Scripture...and know what you believe and why you believe it.
