- Any brainy young

girls out there should read this book. I loved it when I was young, and didn't want to see the movie. It probably ruined a great book anyway! It's funny, it's cute, read it!

- Wonderfully written of a child, Matilda, who is a ferocious reader with special ability and great human perceptions. It may inspire children to read more, imagine and discover the treasures of what books can offer. Happens to be a favourite of my 3 and 5 year old daughters.
