REVIEW OF THE PERSONAL MBA MASTER THE ART OF BUSINESS ARONAL

- Possibly the best book in the Circle of

Three series yet. The book starts out with Kate, Annie, and Cooper each picking a challenge out of the challenge box. Obviously, none of them understood their challenges. They all hoped that their trip to New Orleans to visit Annie's newly found sister will help them. At the last minute, Kate's parents forbid her to go, after her big science project blow with Sherrie. All the girls feel awful, but life goes on. On their last night together, Cooper gives Kate a box of gifts to open while they were gone. And believe me, that box was full of surprises. Annie and Cooper encounter many, many surprises down in New Orleans. Including voodoo, a strange woman, a terrible case of stage fright, and the best food the girls have ever tasted!!! When the girls get back to Beecher Falls, they've all figured out their challenges, after probably the hardest week of their lives. The story takes a shocking and terrible twist when the girls take their challenges to class and find out who is going to participate in the initiation. It is probably the most shocking and sad thing I've read so far in this series. To find out this twist, you've GOT to read this book. It is THE best!!!!!!!!!!

- I bought this book not realizing it was a Project Gutenberg free book. Dont waste your money? And seriously, \$20+ for an ebook is outrageous anyway! But like an idiot I didnt do my research. Dont make the same mistake I did!
