REVIEW OF DESIGN AND APPLICATION GUIDE LIGHTINGENERGYSAVINGS

- We bought this map thinking it would help us navigate around town (Cusco) and Machu Picchu, since it is pictured on the cover. Not so much. It seems ok for long distance stuff and maybe if you are driving on your own, not so much for walking. For our needs, it was almost worthless.

- Fans of the series may like it. Although there are minor mistakes about the characters, it evolves decently. The plot: A mysterious stranger arrives at the Legacy House and Hell rides behind him. Only it's not really Hell, as he lets the Legacy members believe. It's original and dark, and it lacks the usual happy ending. However, it would be a lot better if the ending was a bit more spectacular.
