REVIEW OF SOLUTIONS MANUAL TO ACCOMPANY INTERMEDIATE PUBLIC ECONOMICS

- I was blown away when I read "Wisdom Hunter" so I had high expectations for this book. This book is very disturbing and shocking. I definitely think that Christian churches do have a problem with "shooting their wounded" rather than coming along side of them. Overall, I don't think this book is anywhere near as good as Wisdom Hunter. Still, if you are looking for a quick read that will make you think, this would be a book for you.

- I think the arthur was really desperate when he set out to write a book about the people that is not his race and at the time of his travel, the people he wrote about were normads and now today, they are reading his book. It is interesting.
