Overall, our company believe that Ghoms deserves a read, regardless of some small defects. The distinct storytelling design, relatable characters,

and plot spins make it a beneficial enhancement to your bookshelf. So, if you're trying to find a captivating read, Ghoms is definitely worth taking into consideration.

REVIEW OF GHOMS

- I have loved every Virginia Henley book I have ever read, except this one. I went from appauled to angered to very flustrated. First of all I think it is dangerouse and unrealistic to have, what can only be called RAPE, turn into love between the two main charaters. Especially sence the rape took place when Kitty was just a child and Patrick was a grown man. It really turned my stomach. I have to agree completely with one of the other reviewers who said, it is really hard to like either one of these charaters. If you are thinking of starting to read some of Virginia Henley's work please do not start with this one. All of her other books that I have read have been wonderful.

- I have read two other books on Tai Chi; These were enjoyable to read but very difficult to follow. The plates and text presented in "The Complete Guide..." however are fantastic. There is a wealth of information contained in this book, but more importantly for me, an easily understood presentation on the 'how to' of Tai Chi and QiGong. I recommend this book for anyone who desires to learn how to take the dis-ease out of ones life. Entertaining and enlightening. I say thank you to its authors.
