REVIEW OF GUIDED READING ACTIVITY 17 1 ANSWERS GOVERNMENT

- The man is good. That was my first thought after finishing A MAIDEN'S GRAVE. If you want to learn how to plot a novel, then you'd be hard pressed to find a better author to learn from than the master himself. And he knows how to tackle damaged characters, not just emotionally damaged, but physically damaged, scarred to the point that you're only left with pieces, and the pieces don't seem to fit together the way that they should. This novel is filled with enough twists and turns to keep you guessing, taking what could have been just a classic negotiation story and flipping it on its head. It takes a frightful,

horrific situation and turns it up a notch by having a group of deaf hostages, and the three hostage takers that are unwilling to communicate with them. And then it adds local politics and multiple task forces for good measure, with each group having its own agenda. The characters sometimes take a backseat to the story, but I still felt emotionally invested in what would happen next. This proved to be a good read, along with having a certain amount of unpredictability to keep things interesting. Robert Downs Author of Falling Immortality: Casey Holden,

Private Investigator

- I found this book to be very intense and nerve wrecking. Deaver keeps the reader at the edge of their seat (is that only a movie watching term?) and eager to find out what happens next. I liked the general ending a lot (the last 50 pages), but the very ending seemed kind of far fetched - meaning the way Deaver concludes the story of the bad guys. Also, the romance between the deaf assistant teacher and the negotiator was beyond stupid and should have been left out.
