REVIEW OF SIFEIS CONCAYNT STRM

- I bought all four of the books in this series. I found that the contacts are all mixed up? For instance, in the "Press" section, there are Production Companies, Entertainment Companies, Studios etc.

listed. I was hoping for the money I paid that it would be a bit more organized. Also, a lot of the data is obsolete.

- It's the same morals/teachings as the Bible, only a blinded sheep could see it any other way. The stories are irrelevant, this book teaches forgiveness, kindness etc the same as the western religions. I reccomend the read, there are some very nice passages at the end of the book and the early ones although hard to follow are also good reads.
