## REVIEW OF ESSENTIALS OF ALTERNATIVE DISPUTE RESOLUTION PDF

- DEPRESSING BUT HOPEFUL BOOK ABOUT RECOVERY FROM DRUG AND ALCOLHOL ADDICTION AND RETURN TO NORMAL, SOBER LIFE.

- The characters in Chiefs are without a doubt some of the most interesting and well-developed characters that have ever surfaced in any novel to date. Woods does a great job creating such a diverse group of people all the while keeping them realistic and life-like. He paints a very accurate picture of what the south was like in the early 1900's and the 1950's. Since he created such life-like and believable people, I found myself either hating or loving the characters. I would recommend this book to anyone who enjoys reading. The three Chiefs that are the focal point are all very different, and they all have amazing qualities that make them come alive. Aside from holding the same position at one time or another, they also were committed to solving one of the worst series of crimes the south had ever seen.
