REVIEW OF NEW OXFORD RHYMING DICTIONARY OXFORD QUICK REFERENCE

- The interesting thing about it is that it is about 45 years since I last read this book, and then as a young person the language and sentiment seemed old. On re-reading it I found that the language seemed modern, though the actions of the characters seemed archaic...read also The Wide Sargossa Sea by Jean Rhys, this is like a deconstructed version of Jane Eyre, very interesting approach.

- This is my absolute favorite book! WARNING:it starts out slow, but stay with it and you will find this to be an excellent book. If you like classics and romance (clean romance) this is the book for you.
