Thanks for selecting our platform for your PDF downloads. We anticipate providing you with superb service and diverse choices for many years to find.

## REVIEW OF ELIZABETHS LONDON EVERYDAY LIFE IN ELIZABETHAN LONDON

- Hi everyone! I had to read this book for school and it was torture. I would not ever recommend this book to anyone. It was soo boring! Mark Twain tried to be funny, but he was not! The chapters droned on and on about boring topics. This is not a lie at all: I fell asleep with the book open on my lap!
- This is mainly a book for the die hard fans of Discworld. As one reader commented here, the cameos and some briefly seen characters are mostly enjoyed by those who have already met

them. I personally love Vimes, even back when he was portayed as a drunk (Guards! Guards!), I feel he is a very human hero (and cynical, disgruntled, rumped, etc.). In this book Pratchett delves into destiny, fate and the individual, something he had not done since "Small Gods" and carries it out succesfully. I look forward to his next book. I agree this might not be the best book to start the series with but there are plenty of others to chose from. Just pick one. For new readers I say: "What are you waiting for?! Get yourself into gear and visit Discworld" For the die hards: "Aren't we lucky? Pratchett continues writing for us."
