REVIEW OF TEACHING TOWARDS MUSICAL UNDERSTANDIN G A HANDBOOK FOR THE ELEMENTARY GRADES

- What else can one possibly say about one of the greatest science fiction novels ever written?? A terrific

beginning to a beginning series. I can hardly wait to read the rest of them.

- Isaac Asimov is an exception author in any genre, he just happens to write in science fiction. His Foundation novels are at the apex of classic science fiction. If you are going to read only one book in this genre then this is the one to choose. The universe he creates is so vivid that the book is difficult to put down. In case you couldn't tell.....I am a fan!
