REVIEW OF MES ENGLISH COM DAILY ROUTINES FLASHCARDS

- Indiana Jones and the dance of the Giants is a very exiting book. I loved the way that the author can fit so many themes into one book and still have it

make sense.

- This book is not for the modern kitchen. The Chicken soup recipe starts with "Take three young Male

chickens..."The Mock Turtle Soup starts out "Take half a calf's head, with the skin on: remove the brains..."It makes fun reading but is not very practical as a cook book.
