REVIEW OF DIPLOMA EEE ENGLISH MODEL QUESTION PAPERS

- This book is a touching romance that will make you laugh, cry, and feel moved. The characters are memorable and will live on with you forever. If you loved the movie, read this book. It is 10 times better. This book will change your life forever.

- I first read Gone With the Wind when I was fifteen . I read it again at twenty and have read it several times since. I am now forty years old and have read thousands of books and this book was and still is my all time favourite. there has never been a book so captivating , so romantic, so rebellious, so true to the south. Scarlett and Rhett's relationship is so full of fireworks it leaves the reader eagerly turning the page to see what's going to happen next. When I started a collection of all time classic books it was the first one I put on the bookshelf. I hope every young reader gets the chance to this fabulous novel.
