REVIEW OF APOSTOL CALCULUS VOLUME 1 SOLUTION MANUAL

- Ender, hurt in his childhood by the lack of it, guiltridden because of his harsh decisions during his stay at the battle and command schools, even

though not knowing better what else to do at that time, gets a second chance. Humanity proves again to be most alien of all.

- Orson Scott Card does a fine job of finishing the career of Ender Wiggins. This book has all of the action and fast paced story telling of Ender's Game and the philosophical content of Speaker of the Dead and Xenocide. I finished it in two days of intense reading as I couldn't put it down. I highly recommend it!
