**REVIEW OF NFPA 54  
ESPANOL**

- This story of a woman homesteader writing letters of her daily life kept me captivated until I finished reading the book. It took me about 3 days to read as it was that interesting to find out what life was about.
- This was a fun read. Not too long and it often made you laugh but did end quite abruptly. Reminds me of "These is My Words". Good, creative 'journal writing'!
