Steamy, sensual and poetically hypnotic, *Missionary No More: Purple Panties 2* is the follow-up to the bestseller *Purple Panties*. No one can debate the fact that Zane knows sex. The Queen of Erotic Fiction has hit home run after home run in the literary arena with her literary offerings. Now comes the latest, a collection of lesbian erotica that will have readers squirming on the edge of their seats, curling up beneath the sheets, and fantasizing about the possibilities. Including such stories as "The Namma's Nectar," "Coast to Coast" and "She Loved a Girl," *Missionary No More* gives an insight into a world where love and

lust have no boundaries. Come take a journey through the eyes of several women who have one thing in common: an appreciation for female sensuality.

*A Photographic Atlas of Histology, 2e* by Michael J. Leboffe is designed for use in undergraduate histology and human anatomy courses. It serves as a convenient visual reference and is of particular value to students in a laboratory setting. Commercially available microscope slides are used to photograph, so images represent the quality and diversity of what a student is actually likely to encounter in the laboratory; pathological specimens have not been used.

Unlike any other text, Ingram presents managerial accounting as a crucial communication tool for management decision making. Additionally, students learn that service-oriented and product-oriented organizations apply similar approaches to gain accurate, timely information. Throughout the book, managerial accounting is viewed as a key component of multi-disciplinary management-

with accountants working as part of a team to resolve questions of costing, pricing, and production.

### Thalia: A Texas Trilogy OUP Oxford

The renaissance of Larry McMurtry, “an alchemist who converts the basest materials to gold” (New York Times Book Review), continues with the publication of Thalia. Larry McMurtry burst onto the American literary scene with a force that would forever redefine how we perceive the American West. His first three novels— Horseman, Pass By (1961),\* Leaving Cheyenne (1963), and The Last Picture Show (1966)— all set in the north Texas town of Thalia after World War II, are collected here for the first time. In this trilogy, McMurtry writes tragically of men and women trying to carve out an existence on the plains, where the forces of modernity challenge small- town American life. From a cattleranch rivalry that confirms McMurtry’s “full- blooded Western genius” (Publishers Weekly) to a love triangle involving a cowboy, his rancher boss and wife, and finally to the hardscrabble citizens of an oil- patch town trying to keep their only movie house alive, McMurtry captures the stark realities of the West like no one else. With a new introduction, Thalia emerges as an American classic that celebrates one of our greatest literary masters. \*Just named in 2017 by Publishers Weekly the #1 Western novel worthy of rediscovery.

Max Parkman is perfect in his mother's eyes. Until he's accused of murder. Attorney Danielle Parkman can't deny her son's behavior has been getting worse—drugs and violent outbursts have become a frightening routine. But when she receives the diagnosis from a top-notch adolescent psychiatric facility that Max is deeply disturbed—and dangerous—it seems too devastating to accept. Until she finds Max, weapon in hand, at the bedside of a fellow patient who has been brutally stabbed to death. Separated from Max and trapped in a maelstrom of doubt and fear, Danielle's mothering instincts snap sharply into focus. The justice system is bearing down on her son, so she must use her years of legal experience to find out the truth, no matter what that might be. But has she, too, lost touch with reality? Is her son truly a killer? Previously published.

## REVIEW OF JULIE GARWOOD BOOK LIST TSDV

- It's sad to celebrate the 100th year of Steinbeck, and realize he wasn't that great of a writer. He is a story teller, but not a beautiful writer. East of Eden seems hurriedly written, and I kept looking for a beautiful paragraph, a sentence that might make me read it several times. East of Eden was a real disappointment to me.
- East of Eden is one of those books that most people want to read once before they die. It will not disappoint. The book is sweeping and not interested in following the conventions of most novels. I for one am very glad to have gotten to know the Trask and Hamiltons.
