REVIEW OF BCS PRACTITIONER CERTIFICATE IN DATA PROTECTION COURSES

- I played Dawn Divito in the stage version and I thought the character was amazing. It gave a nice character development, from the shy girl to the outrageous and confident student at the end. The audience howled at the plays, all six of them. Particular favorites were The Universal Language, Var. on the Death of Trotsky and A Philadelphia. Buy this play! It's outrageous.
- The introduction to Buddhist thought and philosophy is worth the price of this book. The astrological interpretations, given from this Buddhist perspective, offer peace and tranquility in the face of stormy life-situations and inner turmoil. The message which

permeates these pages is: you are not mortal; your true being is one with life, not at odds with life. Buddhist Astrology--the book and the approach--pierces through the veil of an illusional mortality. Astrological consultations, whether through a personal astrologer or through a well-written book, ought to bring hope, peace, comfort to the seeker. These things are to be found here.
