REVIEW OF TODO SOBRE MI MADRE WIKIPEDIA

- Nicely written and easy to understand, I found this book a good reference search for magical works. Most of the ingredients are quite easy to find except one had me scouring the local hardware stores for almost 8 months before I could

find the stuff. But in the end, all's well that ends well. I like the author's work and I feel she has set a certain style when it comes to appealing to general needs and senses. Even the title of this book is very enticing. Who can possibly ignore such a treasured find? Imagine..a century of secrets tuck between the pages for a small price. Well, as for whether the spells work, I cannot really say cos I did perform some protection spell and I know nothing is 100% full proof. But again, perhaps it did in its own mysterious ways; although for real dramatics," The Truth About Witchcraft Today" by the late Scott Cunningham did grab my total awe for immediate results.

- Realizing how ignorant I was of the Holy Spirit and the role He should and wants to play in my life, after much

research, I ordered this book. I am so glad I did! It greatly increased my understanding of the Holy Spirit, which

has been a tremendous blessing to me. It is both easy to read and understand and I would highly recommend it.
