## **REVIEW OF EMPOWER YOURSELF MIRANDA KERR**

- Great book! Has lots of detail. Tells of scrooge who hates christmas and how his heart will begin to change
- A Christmas Carol Audiobook read by Jim Dale! once heard it said that to appreciate Dickens best, one should read his stories aloud. I have never had the time to try to do this, but having just listened to a new unabridged reading of A Christmas Carol from Random House, I can see the validity of the statement. Playing the CD's I felt as if the narrator was, in the words of Dickens himself, "standing in the spirit at your elbow." And what a narrator! The multi-talented Jim Dale reads the story...no, that is not correct...Jim Dale PERFORMS the story. I counted 42 voices in the three-hour recording. Jim Dale

is well known for his over 200 voices (and counting) bringing to life all of the characters in the Harry Potter books, which he also records for Random House's Listening Library. I first saw Jim Dale in the 1977 Disney movie Pete's Dragon where he played the bumbling villain. The next year he played three hilarious characters in another Disney film, Hot Lead and Cold Feet. I was lucky to see him in two musicals on Broadway, in Barnum, and Me and My Girl. Both very memorable performances. I plan to see him next month as he sings and dances Scrooge in Madison Square Garden's Christmas Carol - The Musical. I figure if he is great in the audiobook, he will be even better on stage. An actor has only two tools...his voice and his body. In the audiobooks, of course, only the voice can be used. And Dale's voice talents are well showcased here. I often found myself laughing out loud, thanks to the combined genius of Dickens and Dale. In a couple of cases, the genius is pure Dale. At one point he adds a bit of a dog's panting that really cracked me up. I have seen and/or heard other wonderful actors do one-man renditions of A Christmas Carol. A number of years ago a friend played a tape for me of John Gielgud doing an abridged version. I saw Patrick Stewart do his acclaimed one man show on Broadway; from the first row! And I have seen the author's great-great grandson, Gerald Dickens do his skilled and energetic version several times. They are all memorable and it would be impossible to say which was the best. But I can heartily recommend that Jim Dale's version be added to the family library. It is complete, it is accurate and it is a virtuoso performance. Although I certainly know the story well, I found by listening to the audiobook I was paying closer attention to the lesser known parts...the parts that, to be honest, I usually would skim over when rereading the book. In fact, there were several sections where I felt as if I were hearing them for the first time. Marvelous sections. I couldn't believe I had missed them in the past. Maybe Jim Dale's voice just made them more vibrant than my own inner voice. I suppose that asking me to review Jim Dale reading A Christmas Carol really isn't fair. One of my favorite performers reading my favorite story by my favorite author! But surely I am not alone. Dickens is universally known as England's greatest novelist. I wouldn't be surprised if Jim Dale was gaining a reputation as one of the world's greatest readers of audiobooks. They are both master storytellers. And to quote the Dickens himself, "If that's not high praise, tell me higher, and I'll use it."
