REVIEW OF ROI GROWTH NORMS GUIDE AIMSWEB

- I was incredibly bored one day, and went snooping around the basement looking for a new book to read. When I found my mom's old tattered copy of Clan of the Cave Bears, I didn't expect much. Oh my goodness, though, Auel is a virtuoso. I cannot wait for the next one!
- Gato-gato is a true feline philosopher! A real "communicatter"! Great little bilingual novel to bring home the message of brotherly love and world responsibility. Super for classroom use because it contains ideas to think about.
