REVIEW OF SAMSUNG CODE MANUAL USER GUIDE

- I am a reader of Non -Fiction, especially anything related to courageous real life stories and this book, ONE HUNDRED YEARS OF SOLITUDE fits the bill. It is honest,at times captivating and very difficult to put down until you have finished reading it. I can understand why this was an Oprah pick as it is so poignant in detail. (...)All amazing and well written memoirs in thier own rights.

- One Hundred Years of Solitude is one of the most fascinating books I have ever read (and I have read thousands).Marquez is a giant. His skill is like that of a mythical creature, like a Phoenix combined with a hundred great authors.The pure fact that this book was written by one man is amazing. I don't want to say anything about the story. If you care about great literature, do not let life pass by without reading Marquez' masterpiece.
