REVIEW OF THE CHAPEL OF BONES KNIGHTS TEMPLAR MYSTERIES 18 AN ENGROSSING AND

INTRIGUING MEDIEVAL MYSTERY

- I like the book, I did. However, I can't see how it deserved to win the Hugo Award in 1956. I've begun to read all of the nominees and winners of the Hugo and Nebula awards since their inception. While this book is the best I have read so far, I remain continually amazed at the quality and content of the books from that era (1948-1956). It clearly was a different time and mindset. I did enjoy this book, I can not deny that. While it did not enrapt me, I was very curious to turn the page. But, when all was said and done, this book did not move me in any meaningful way, nor leave me with any new thoughts. I wouldn't quite call the book forgettable. In fact, as I was

reading it I had some deja vu, and wondered if I had not read this once sometime in my past. But, it's not a story that makes me want to come back and read it again in the future. Your mileage may vary. :-)

- On the surface, one might think that Stranger in a Strange Land would be my

favorite Heinlein novel. Okay, it was the most influential. However, as a novel, Double Star is far superior. The plot, pacing and characterization are all excellent. Add to this an original (for the time) theme for science fiction: Political Intrigue. It is an excellent and entertaining read. Heinlein at his best. I urge you to pick this one up.
