REVIEW OF ESSENTIAL

GRAMMAR IN USE 3RD EDITION

- I've got severely wrinckled book. This is the second time in a year. I'd purchased these books for present. So I was un, un, unhappy!

- i thought this book was very good. It was really interesting. When i first started reading it i was aware of how young the boys were, but as i started getting farther and farther into the book i forgot. Their attitudes had changed majorly and so did their actions. They were basically heartless. At the end when they were rescued and the reality of them being so young hit me again. ALL in all it is a really great book.
