## REVIEW OF ADVANCED MATH PLACEMENT TEST PRACTICE GRADE 6

• This was truly a heartwarming read. I was so incredibly moved by these stories of lost love reunited. I started reading this book on Tuesday at 3 p.m. and didn't put the book down until it was completely finished. This book really gives hope to those of us who have ever thought about our first loves and said "what if...?" I am most definitely going to my high school reunion next May!

• "The Wizard of Oz", in my opinion, is the American Fairytale, and is far more better than any Brother Grimms or Aesop Fables! As stated, the book is better than the movie, and, the Oz Book series has reached over 200 sequels, by dozens of authors! The Wizard of Oz has a wonderful moral in it that is true for all of us. It is, and always will be, my favorite story.
