REVIEW OF LIFE SADAVA 10TH EDITION DEFLOR

- Unlike the BBC production which takes liberties with the original story and a Jim Hawkins who sounds about 25 years old, this production by Colonial Radio is faithful to the story. The music is as usual fantastic, and reminds you of those great swashbuckling adventures from the 40's. The actor playing

Jim has great energy and I totally believed I was there with him on this perilous voyage. Long John Silver is great, and the on again / off again friendship, or "trust" ship with Jim is spot on. The supporting cast is also excellent, and I think this is a magnificent audio production of a great classic.

- A great adventure story. I never read this book when I was younger and I wish I had. Reading it as an adult, I still feel the suspense, mystery, and excitement that was promised by the cover notes. I would highly recommend it to anyone who wants to read a good adventure story.
