REVIEW OF ANSWERS TO TRUE FALSE QUESTIONS

- Sufi universalism is needed theme for these times. The observation,"I, myself am heaven and and hell.," is a good summary of Realism theology.
- I would give this book four stars out of five. This is because the book is good with all the twists and turns, you don't know what's going to happen next. But the book is so long that the author spends too much time trying to describe places or towns that the book starts to get boring. I couldn't say that I was surprised at most of the events that happened in this book.He should of put a few random twists and turns. So this book is ok.The book starts in a place called Middle-Earth, a dark lord called Sauron created a ring, which had the power to destroy the world. Now Frodo and Sam have that ring and are on a quest to destroy that ring.This book was created by a man named J.R.R. Tolkien. He was born in Bloemfontein, South Africa in 1892. His father died during his childhood. After school, he joined the army. After that he found his wife and started the Lord of the Ring books.
