## **THE BOOK OF OCCASIONAL SERVICES RECAP: UNLOCK YOUR FOLLOWING LITERARY JOURNEY WITH OUR CONCISE REVIEWS**

Pastoral and Occasional Liturgies Oxford University Press

In this third and final volume in a series of ceremonial guides to worship in the Episcopal Church according to The Book of Common Prayer, Leonel L. Mitchell focuses on the pastoral and occasional liturgies. Beginning with the celebration of the Daily Office, he goes on to discuss the seasonal liturgies beyond the Lent-Easter cycle, including Advent Lessons and Carols, Candlemas, and Rogation processions. The pastoral offices include baptism, marriage, the blessing of homes, reconciliation, ministry to the sick, and burial. Finally, Mitchell concludes with the services involving bishops, including celebrations of new ministries, consecrations of churches, and ordination rites. Like its two companion volumes, Howard E. Galley's *The Ceremonies of the Eucharist* and Mitchell's *Lent, Holy Week, Easter, and the Great Fifty Days*, this new guide offers clear descriptions of ways of celebrating the rites as well as the theological and historical reasons behind them. The book is designed to be useful in churches of all sizes, small and large.

*The Dilemmas of an Erastian Reformer*  
Church Publishing, Inc.

John Jewel (1522-1571) has long been regarded as one of the key figures in the shaping of the Anglican Church. A Marian exile, he returned to England upon the accession of Elizabeth I, and was appointed bishop of Salisbury in 1560 and wrote his famous *Apologia Ecclesiae Anglicanae* two years later. The most recent monographs on Jewel, now over forty years old, focus largely on his theology, casting him as deft scholar, adept humanist, precursor to Hooker, arbiter of Anglican identity and seminal mind in the formation of Anglicanism. Yet in light of modern research it is clear that much of this does not stand up to closer examination. In this work, Gary Jenkins argues that, far from serving as the constructor of a positive Anglican identity, Jewel's real contribution pertains to the genesis of its divided and schizophrenic nature. Drawing on a variety of sources and scholarship, he paints a picture not of a theologian and humanist, but an orator and rhetorician, who persistently breached the rules of logic and the canons of Renaissance humanism in an effort to claim polemical victory over his traditionalist opponents such as Thomas Harding. By taking such an iconoclastic approach to Jewel, this work not only offers a radical reinterpretation of the man, but of the Church he did so much to shape. It provides a vivid insight into the intent and ends of Jewel with respect to what he saw the Church of England under the Elizabethan settlement to be, as well as into the unintended consequences of his work. In so doing, it demonstrates how he used his Patristic sources, often

uncritically and faultily, as foils against his theological interlocutors, and without the least intention of creating a coherent theological system.

**A Prayer Book for Soldiers and Sailors** Church Publishing, Inc.

Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings

of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

**Occasional Services** Church Publishing, Inc.

This pocket-sized edition of a pastoral staple will include official new rites of the Episcopal Church. Included are prayers, litanies, and other material that address medical conditions that were either unknown or not publicly talked about when the Prayer Book was revised in the 1970s. Some of these include the termination of life support, difficult treatment choices, loss of memory, and survivors of abuse and violence.

We're Not Broken Church Publishing, Inc.

Louis Weil looks back on his work shaping the liturgical life of the Episcopal Church through his involvement with the development of The 1979 Book of Common Prayer— and looks forward to the future of the church and its liturgical life. Through stories and first-person anecdotes, Weil does "narrative theology" as only he can. Although most points of reference are to the 1979 BCP, the book is aiming at a more fundamental level—not just Episcopal or even Anglican liturgy, but liturgical rites as such: how do they "do what they do"?—or NOT do when they are done badly! "Liturgical Sense" is two dimensional: both the "common sense"

of liturgical rites and also their “aesthetic sense.” It is Dr. Weil’s contention that in American culture we have an inherent inability to “think symbolically.” Dr. Weil seeks to encourage a return to “liturgical sense” across the church.

**All Things Necessary** Church Publishing, Inc.

The Book of Occasional Services is a new liturgical resource produced by the Office of Theology and Worship of the PC(USA) providing worship services for many of the important and widely used services that are not included in the Book of Common Worship.

**Evangelical Lutheran Worship Occasional Services for the Assembly** Church Publishing, Inc.

Orders and rituals to dedicate property and to set persons in positions of leadership resources for ministry to the sick, dying, and grieving, and materials for use by the congregation for special circumstances and settings. Green leather, gold-edged, three colored ribbon markers.

**John Jewel and the English National Church** Cowley Publications

The pew edition of the prayer book of the Anglican Church of Canada. Includes: the Divine Office; Baptism and Reconciliation; the Holy Eucharist; the Proper of the Church Year; Pastoral Offices; Episcopal Offices; Parish Thanksgiving and Prayers; the Psalter; and Music. (ABC).

*A Priest's Handbook* Good Press

Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with

those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

### **Celebrating the Saints** Penguin

Accessible spiritual narratives of the meal as Communion, plus recipes, by a well-known blogger, widely-traveled musician, and retreat leader "This is a book about what nourishes us: food, faith, family, and friends, and how all of those elements are essential ingredients of Communion—in fact how every meal of our lives holds an invitation to the Sacred Meal. As I say in the opening chapter, 'What the Gospel writers don't seem to scrimp on are stories of Jesus eating, or at least stories about Jesus and food. He eats, feeds, talks about food, and even calls himself the Bread of Life, right down to that last night in the Upper Room...where they sat around the table and he wrapped it all up with a meal—The Meal—as his ultimate metaphor.'" —from the Introduction

**Metaphors for the Meal** Church Publishing, Inc.

Version for congregational use; the unison hymns without acc.

Folk Like Me Church Publishing

The award-winning author of Grateful goes beyond the culture wars to offer a refreshing take on the comprehensive, multi-faceted nature of Jesus, keeping his teachings relevant and alive in our daily lives. How can you still be a Christian? This is the most common question Diana Butler Bass is asked today. It is a question that many believers ponder as they wrestle with disappointment and disillusionment in their church and its leadership. But while many Christians have left their churches,

they cannot leave their faith behind. In *Freeing Jesus*, Bass challenges the idea that Jesus can only be understood in static, one-dimensional ways and asks us to instead consider a life where Jesus grows with us and helps us through life's challenges in several capacities: as Friend, Teacher, Savior, Lord, Way, and Presence. *Freeing Jesus* is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations, to experience Jesus beyond the narrow confines we have built around him. It renews our hope in faith and worship at a time when we need it most.

Personalities are the driving pressure of the tale, and we take a closer look at their personalities, inspirations, and partnerships. With our character evaluations, you can obtain a better understanding of their roles in *The Book Of Occasional Services* tale and exactly how they contribute to the total narrative.

[A Practical Guide for Episcopal Church Musicians](#) Church Publishing, Inc.

This is the new edition of Supplemental Liturgical Materials. New materials include seventeen additional canticles taken from the Old Testament, the Apocrypha, the New Testament, Anselm of Canterbury, and Julian of Norwich. There are also additions and changes to

the previously published supplemental materials including a third Eucharistic Prayer. (88 pp)

**Scripture of Their Lives** Church Publishing, Inc.

"The original Episcopal Handbook, published in 2008, was an instant classic and has been a bestseller ever since. Still providing helpful and insightful information about the Episcopal ethos with a certain amount of whimsy and complete accessibility, this revision maintains the best features of the original work, but adds an update and an expansion on the church today. In addition to updating out-of-date references, the revision highlights Episcopal diversity—including more women and people of color in the biographical material—as well as focusing more on Episcopalians rather than Anglicans. Some new illustrations are included as well. Some material originally presented in tabular form has been adapted into a more accessible narrative format. This includes new sections on church governance, the origins of religious belief, and a capsule summary of church history. The glossary has also been expanded. The goal is to provide a book suitable for a wide range of uses and settings: for Sunday schools, confirmations, inquirer classes—and for everyone from visitors to vestries. The revision brokers an incredible compendium of information in an informal, user-friendly, and accessible format. For lifelong Episcopalians, newcomers, and those wishing to sample and explore the beliefs and organization of the denomination."

*The Episcopal Handbook, Revised Edition* Church Publishing, Inc.

This edition includes the liturgies for Discernment for a New Church Mission; A

Liturgy for Commissioning a Church Planter, Missioner or Mission Team; A Liturgy for the Opening of a New Congregation; Setting Apart Secular Space for Sacred Use; a new Litany for the Mission of the Church; and a variety of Church Planting collects, blessings and other prayers, and hymn suggestions. This material, authorized by the 2003 General Convention, is published in English, Spanish, and French.

*Occasional Services, Readings, and Prayers* Church Publishing, Inc.

This strikingly original study of Cambodian nationalism brings to life eight turbulent decades of cultural change and sheds new light on the colonial ancestry of Pol Pot's murderous dystopia. Penny Edwards recreates the intellectual milieu and cultural traffic linking Europe and empire, interweaving analysis of key movements and ideas in the French Protectorate of Cambodia with contemporary developments in the Métropole. From the naturalist Henri Mouhot's expedition to Angkor in 1860 to the nationalist Son Ngoc Thanh's short-lived premiership in 1945, this history of ideas tracks the talented Cambodian and French men and women who shaped the contours of the modern Khmer nation. Their visions and ambitions played out within a shifting landscape of Angkorean temples, Parisian museums, Khmer printing presses, world's fairs, Buddhist monasteries, and Cambodian youth hostels. This is cross-cultural history at its best. With its fresh take on the dynamics of colonialism and nationalism, *Cambodge: The Cultivation of a Nation* will become essential reading for scholars of history, politics, and society in Southeast Asia. Edwards' nuanced

analysis of Buddhism and her consideration of Angkor's emergence as a national monument will be of particular interest to students of Asian and European religion, museology, heritage studies, and art history. As a highly readable guide to Cambodia's recent past, it will also appeal to specialists in modern French history, cultural studies, and colonialism, as well as readers with a general interest in Cambodia.

*Red Carpet Church Publishing, Inc.*

"A Prayer Book for Soldiers and Sailors" by Episcopal Church. Army and Navy Commission. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. *A New History of the Book of Common Prayer Church Publishing, Inc.*

"This book is a message from autistic people to their parents, friends, teachers, coworkers and doctors showing what life is like on the spectrum. It's also my love letter to autistic people. For too long, we have been forced to navigate a world where all the road signs are written in another language." With a reporter's eye and an insider's perspective, Eric Garcia shows what it's like to be autistic across America. Garcia began writing about autism because he was frustrated by the media's coverage of it; the myths that the disorder is caused by vaccines, the narrow portrayals of autistic people as

white men working in Silicon Valley. His own life as an autistic person didn't look anything like that. He is Latino, a graduate of the University of North Carolina, and works as a journalist covering politics in Washington D.C. Garcia realized he needed to put into writing what so many autistic people have been saying for years; autism is a part of their identity, they don't need to be fixed. In *We're Not Broken*, Garcia uses his own life as a springboard to discuss the social and policy gaps that exist in supporting those on the spectrum. From education to healthcare, he explores how autistic people wrestle with systems that were not built with them in mind. At the same time, he shares the experiences of all types of autistic people, from those with higher support needs, to autistic people of color, to those in the LGBTQ community. In doing so, Garcia gives his community a platform to articulate their own needs, rather than having others speak for them, which has been the standard for far too long.

Now that you have actually seen what we need to offer, it's time to start checking out *The Book Of Occasional Services* summaries! ### **REVIEW OF THE BOOK OF OCCASIONAL SERVICES**

- Start with Beyond the Sea of Ice and

you will want to read the whole series. Well...the first four are excellent, but after that they are a waste of time. Believe me, this is a great series. Not quite as great as the Clan of the Cave Bear series or Aztec, but still gripping and informative.

- Often you hear that most things you worry about don't happen. Those who read Mark Crispin Miller's THE BUSH DYSLEXICON: OBSERVATIONS ON A NATIONAL DISORDER when it came out in the first few months of 2001 - the early days of the George W. Bush presidency - could not have worried enough, considering the fifty warnings about 9/11 Bush was to ignore, the invasions and occupations of Iraq and Afghanistan, and his indifference to the damage Hurricane Katrina would do before and after the storm hit. Reading THE BUSH DYSLEXICON in June 2009, I thought of all the harm America and the world would have avoided had just one of the five corrupt Supreme Court justices who installed Bush in the Oval Office instead done the right thing, or had just a handful of the power broker flacks in the corporate media found a conscience and worked as hard reporting on the crimes of the Bush cartel as they did covering the red herrings and straw man arguments the lunatic fringe used to derail Bill Clinton in the 1990s. For as incoherent as George W. Bush often appears, THE BUSH DYSLEXICON points out he is actually communicating clearly, once you get a grip on his vernacular. Like the world's worst poker player, this world's worst politician tips his hand often, showing cards that reveal his allegiance not to the United States Constitution but to the moneyed interests that work to subvert it. Read THE BUSH DYSLEXICON. Author Mark

Crispin Miller proves the Running Board explaining Bush's seemingly to George W. Bush's Ruffled Feathers, unintelligible discourse.
