Bear in mind, reviewing reviews can aid you make educated choices about what to review following and can subject you to new writers and styles you could not have actually considered before.

## REVIEW OF FORMATION ANGULAR DE Z RO NINJA

- This whole book is essentially an epilogue to the TOS episode "That Which Survives." So if you've always wanted to see what happens immediately after the events of that episode, then this is the book for you. But if

not, then you might want to skip it. The characterization is OK, and obviously Wright has been watching her TOS videos. In fact, that's part of the problem for me. This book is a by-the-numbers pastiche. The characters all say and do what they would in a TV episode, but who cares? There's no real story. It's all a matter of tying up loose ends from the TV episode and creating some new loose ends for the other 6 books in this Gateway series. This book owes its existence to a marketing strategy, not to artistic inspiration. It exists only to fill the TOS slot in the Gateway series. And be warned: this book ends in a cliffhanger that you have to buy the

hardcover book to resolve.

- How would you like to grow up as an ordinary person in a world full of danger knowing that you are the true king of the greatest city in all of Middle-earth? Sounds cool, right? Well, to Aragorn it did not. Aragorn was a descendant of the king Isildur. However, he had not taken charge of the kingdom of Gondor because he fears that he will have the same weakness that Isildur had; falling to the temptation of the One Ring. On the other hand, how would you like to be a hobbit, only about three feet tall with all of Middle-earth depending on you to complete a task that was entrusted to you? How would you like to carry a ring that

has the power to destroy all of the good things in the world, but at the same time, it has the ability to destroy all of the evil of your world? Also, the only way to destroy this item is to go into the center of the darkest place on Middle-earth and cast the ring into the fires of a volcano. This is what type of a situation Frodo Baggins was in, if he was going to save Middle-earth. Finally, how would you like to be the person that gets to listen (for 18 and a half hours) to the incredible story of how these two characters must face all the evil imaginable and still complete the task that was given to them for the sake of Middle-earth. Trust me; take the easy path and listen to this awesome

conclusion to the great conclusion of this series that is hard to put down. Some of the characters of this story were Frodo, Sam, Legolas, and Gimli, Gandalf the White, Merry, and Pippin. The setting was in Middle-earth. The conflict is that as Frodo travels deeper into Mordor, he begins to fade and weaken. At the same time, Sauron, the Dark Lord of Mordor launches a full scale assault on the last city of men: Gondor. With no king, Gandalf takes command of the city. However, will the crumbling city be able to survive the full blast of Sauron? Will Frodo fall, the Ring be retaken, the Dark Lord of Mordor rise to defeat the slowly dying race of men? Finally, will Aragorn come to the

aid of Gondor, and will just have to listen  
fulfill his duty as the to the awesome  
true king? If Frodo and conclusion to this  
Sam survive, will their exploding series and  
home be the same as see.  
they left it? Well, you
