REVIEW OF LONGMAN PREPARATION COURSE FOR THE TOEFL TEST PAPER BY DEBORAH PHILLIPS

- Having read several of Ed Greenwood's books in the distant past I dubbed him somewhat uninteresting and forgot about him as a writer until now, when he published his first new non-FR novel. After acquainting myself further with *The Kingless Land*, I realized that despite Ed's best attempts to tear away from his old way of writing, he spent simply too much time exploring Faerun with TSR. His style of writing lacks deep meaning (at least in my opinion), and his inability to produce twists in his work is simply discouraging. *The Kingless Land* may be a solid fantasy novel with a tried-and-true plot, but if you've read much of the author's previous books, you will immediately see that this is merely his old FR theme in flimsy disguise.

- Excellent book for an easy test. I found SCWCD a lot easier than SCJP and this book just beats it to death. If you already know good deal of JSP/Servlets, you don't need the book. Either just buy their full set of mock exam from enthuware.com or better still try out all their mock exams on jdiscuss.com Why pay??
