River of Words Texas A&M University Press

A moving lyric meditation on the Congo River that explores the identity, chaos, and wonder of the Democratic Republic of Congo as well as race and the detritus of colonialism. With *The River in the Belly*, award-winning Congolese author Fiston Mwanza Mujila seeks no less than to reinstate the Congo River in the imaginary of European languages. Through his invention of the "solitude"—a short poetic form lending itself to searing observation and troubled humor, prone to unexpected tonal shifts and lyrical u-turns—the collection celebrates, caresses, and chastises Central Africa's great river, the world's second largest by discharge volume. Drawing inspiration from sources as diverse as Soviet history, Congolese popular music, international jazz, and everyday life in European exile, Mwanza Mujila has fashioned a work that can speak to the extraordinary hopes and tragedies of post-independence Democratic Republic of the Congo while also mining the generative yet embattled subject position of the African diasporic writer in Europe longing for home. Fans of *Tram 83* will discover in *River* the same incandescent, improvisatory verbal energy that so dazzled them in Mwanza Mujila's English-language debut.

The River in the Belly The Floating Press

Readers young and old will be delighted to discover the wonders of Washington State, from its natural beauty (Mount Rainier and evergreen forests), to its famous residents (Jimi Hendrix and Big Foot) and familiar skyline (Seattle's Space Needle). Intriguing facts coupled with beautiful, original artwork make *E is for Evergreen* an exciting journey. Marie and Roland Smith grew up in Oregon and live on a small farm south of Portland. Roland is the author of many award-winning books for children including *Thunder Cave*, *Sasquatch*, *Jaguar*, *Zach's Lie*, and *The Captain's Dog: My Journey with the Lewis and Clark Tribe*, which won the Pacific Northwest Bookseller's Award. Marie and Roland also collaborated on *B is for Beaver: An Oregon Alphabet*, published in 2003. A professional artist since she graduated from The Art Center College of Design in California, Linda Holt Ayriss also holds a BFA from Pacific Lutheran University, WA. She is the recipient of a silver medal from the Best in the West Society of Illustrators, and has been recognized in the "Communication Arts" Annual. Linda has taught at Cal State Northridge and is currently mentoring two students in her studio. She lives on Bainbridge Island, Washington, just across Puget Sound from Seattle.

A River of Royal Blood Penguin

This one-of-a-kind masterpiece is a classic of American literature. In *Spoon River Anthology*, Kansas-born poet and playwright Edgar Lee Masters channels the imagined voices of the deceased men, women, and children buried in a cemetery in rural Illinois. Haunting and ethereal, inspiring and unforgettable, these poems will remain etched in readers' memories.

Rivers of London - Black Mould #3 Titan Comics

The companion to the Newbery Honor winner *Where the Mountain Meets the Moon* and the National Book Award finalist *When the Sea Turned to Silver* The moon is missing from the remote Village of Clear Sky, but only a young boy named Rendi seems to notice! Rendi has run away from home and is now working as a chore boy at the village inn. He can't help but notice the village's peculiar inhabitants and their problems—where has the innkeeper's son gone? Why are Master Chao and Widow Yan always arguing? What is the crying sound Rendi keeps hearing? And how can crazy, old Mr. Shan not know if his pet is a toad or a rabbit? But one day, a mysterious lady arrives at the Inn with the gift of storytelling, and slowly transforms the villagers and Rendi himself. As she tells more stories and the days pass in the Village of Clear Sky, Rendi begins to realize that perhaps it is his own story that holds the answers to all those questions. Newbery Honor author Grace Lin brings readers another enthralling fantasy featuring her marvelous full-color illustrations. *Starry River of the Sky* is filled with Chinese folklore, fascinating characters, and exciting new adventures.

A Kansas Number Book Sourcebooks, Inc.

Willie loved to write—words gave him freedom and peace. But he also knew that he needed to earn a living, so when he grew up he went off to medical school and became a doctor—one of the busiest men in town! Yet he never stopped writing. In this picture book biography of poet William Carlos Williams, Jen Bryant's engaging prose and Melissa Sweet's stunning mixed-media illustrations celebrate the amazing man whose poems about ordinary, everyday things will inspire young readers to create poems of their own. A Junior Literary Guild Selection.

One Long River of Song SUNY Press

Following the success of *S is for Sunflower: A Kansas Alphabet*, husband-and-wife author team Devin and Corey Scillian join illustrator Doug Bowles in another rousing state tribute. *One Kansas Farmer: A Kansas Number Book* "counts out" an entertaining and educational travelogue of the state's history, geography, famous people, and places. Topics include the dancing prairie chickens and the invention of the microchip. Corey and Devin Scillian are graduates of the University of Kansas. They now live in Michigan where Devin anchors the news for WDIV-TV in Detroit. Devin's other children's books include the bestselling *A is for America: An American Alphabet* and *Brewster the Rooster*. Doug Bowles enjoys working with a wide range of clients in advertising, corporate, and editorial jobs, as well as in the children's book market. He also enjoys working on fine art collections and shows frequently in galleries around Kansas. Doug lives in Leawood, Kansas.

A Child's Portrait of Shakespeare Ballantine Books

Included in Publishers Weekly's Big Indie Books of Fall 2017 feature "Morse and Yi (the team behind *What Is Punk?*) highlight hip-hop's cultural hegemony via an impressively encyclopedic parade of rhyming biographies. Yi's meticulously styled clay figures are as magical as in the previous book, combining profound expressiveness with the playfulness of action figures. Her compositions are equally evocative, ranging from video snippets (the Beastie Boys strike a pose from 'Intergalactic') to formal portraits (Kanye West, Missy Elliott, Kendrick Lamar) and metaphorical ones (Jay Z stands amid New York City skyscrapers)." --Publishers Weekly "In rhythmic, rhyming verse, Morse offers a genealogy of hip-hop royalty that begins with the Boogie Down Bronx's DJ Kool Herc and Grandmaster Flash and walks readers into today with Nicki Minaj, Drake, and Kendrick Lamar. In between the origins and now, readers find a rare gender-inclusive narrative of hip-hop history that uplifts B-girls like Queen Latifah and Missy Elliott along with legendary male groups such as NWA and Wu-Tang...The magnificent 3-D clay illustrations...include an intricately produced remake of Tribe Called Quest's legendary 'Midnight Marauders' cover. Tying these images back to their original sources makes for quite the history lesson. Make sure to keep a device nearby. A must-read reference for any hip-hop family." --Kirkus Reviews "Verdict: these books are pretty damn cute." --The Current (Minnesota Public Radio), *What is Punk?* and *What is Hip-Hop?* are Rock and Roll Book Club selections "An ideal picture book for children ages 3 to 7, *What Is Hip-Hop?* is as entertaining as it is informative and will prove to be an enduringly popular addition to family, daycare center, preschool, elementary school, and community library collections." --Midwest Book Review "Eric Morse is back with a follow-up that shines a similar PG spotlight on the hip-hop arena and its players, from Run-DMC and Queen Latifah to Salt-N-Pepa and Tupac. Artist Anny Yi returns, too, with delightful clay figurines to accompany Morse's beat-astic rhyming verse." --Tory Burch Daily Blog Praise for *What is Punk?* "A punk primer for the youngest set. Yi's incredibly detailed clay figures are a kinetic and inspired art choice. As [Morse] points out, the best way to learn about punk is just to listen. If invested adults love the topic, a shared reading experience can't be beat." --Kirkus Reviews "What Is Punk? is a fun, sophisticated, and beautifully illustrated introduction to the music genre for kids--or adults." --New York Daily News "In the beginning, there was a beat..." So begins *What is Hip-Hop?*--a playful guided tour of one of the most revolutionary pop culture movements of the twentieth century. Beginning with block parties in the Bronx, *What is Hip-Hop?* brings the reader up to the present day, with rhyming verses and engaging 3-D clay illustrations. It's a fun, accessible, and informative read for B-boys and B-girls of all ages. In the follow-up to their acclaimed and beloved hit *What Is Punk?* author Eric Morse and artist Anny Yi reunite to celebrate the music that changed their lives and the voices that achieved iconic status along the way. See Run-D.M.C., LL Cool J, Beastie Boys, Salt-N-Pepa, Biggie and Tupac, Eminem, and even Nicki Minaj and Kendrick Lamar, as you've never seen them!

The Right Word Back Bay Books

Arbor Day, Boys Town, and Kool-Aid® are just a few of the marks the Great Plains state of Nebraska has made on American culture. From the state's eastern border along the Missouri River, where Lewis and Clark embarked on the Corps of Discovery expedition, to the towering geologic landmarks of the west, chronicled in pioneers' journals, there are treasures to explore on each page of *C is for Cornhusker: A Nebraska Alphabet*. Rajean Luebs Shepherd was raised in Michigan and has a degree in elementary education from Central Michigan University. After graduating, she traveled the world for ten years with the international performing group *Up With People*. A substitute teacher, Rajean enjoys sharing her favorite children's books with her students. She lives with her family in North Platte, Nebraska. With over twenty years in commercial illustration, Sandy Appleoff's work has appeared in a range of venues from corporate advertising, to magazines to children's books to large-scale installation murals. She has taught at the Kansas City Art Institute and the Colorado Mountain College in Aspen. Currently she is teaching and working on an MFA in stage and costume design at the University of Kansas. Sandy lives on a farm in Falls City, Nebraska.

Spoon River Anthology Akashic Books

#1 SEATTLE TIMES BESTSELLER A playful and moving book of essays by a "born storyteller" (Seattle Times) who invites us into the miraculous and transcendent moments of the everyday When Brian Doyle passed away at the age of sixty after a bout with brain cancer, he left behind a cult-like following of devoted readers who regard his writing as one of the best-kept secrets of the twenty-

first century. Doyle writes with a delightful sense of wonder about the sanctity of everyday things, and about love and connection in all their forms: spiritual love, brotherly love, romantic love, and even the love of a nine-foot sturgeon. At a moment when the world can sometimes feel darker than ever, Doyle's writing, which constantly evokes the humor and even bliss that life affords, is a balm. His essays manage to find, again and again, exquisite beauty in the quotidian, whether it's the awe of a child the first time she hears a river, or a husband's whiskers that a grieving widow misses seeing in her sink every morning. Through Doyle's eyes, nothing is dull. David James Duncan sums up Doyle's sensibilities best in his introduction to the collection: "Brian Doyle lived the pleasure of bearing daily witness to quiet glories hidden in people, places and creatures of little or no size, renown, or commercial value, and he brought inimitably playful or soaring or aching or heartfelt language to his tellings." A life's work, *One Long River of Song* invites readers to experience joy and wonder in ordinary moments that become, under Doyle's rapturous and exuberant gaze, extraordinary.

Flowing Out to the Sea Heyday

In thirteenth-century Sri Lanka, Asanka, poet to the king, lives a life of luxury, enjoying courtly life and a sweet, furtive love affair with a palace servant, a village girl he is teaching to write. But when Magha, a prince from the mainland, usurps the throne, Asanka's role as court poet dramatically alters. Magha is a cruel and calculating king--and yet, a lover of poetry--and he commissions Asanka to translate a holy Sanskrit epic into the Tamil language spoken by his recently acquired subjects. The poem will be an olive branch--a symbol of unity between the two cultures. But in different languages, in different contexts, meaning can become slippery. First inadvertently, then deliberately and dangerously, Asanka's version of the epic, centered on the killing of an unjust ruler, inspires and arouses the oppressed people of the land. Asanka must juggle the capricious demands of a king with the growing demands of his own political consciousness--and his heart--if he wishes to survive and imagine a future with the woman he loves. The first novel from a remarkable young writer, *River of Ink* is a powerful historical tale set in the shadow of oppression--one with deep allegorical resonances in any time--celebrating the triumph of literature and love.

River of Words Sleeping Bear Press

NAMED A TOP 10 BOOK OF 2018 BY NPR AND THE WASHINGTON POST WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN CURRENT INTEREST FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE NONFICTION AWARD The instant New York Times bestseller, "A must-read for anyone who thinks 'build a wall' is the answer to anything." --Esquire For Francisco Cantú, the border is in the blood: his mother, a park ranger and daughter of a Mexican immigrant, raised him in the scrublands of the Southwest. Driven to understand the hard realities of the landscape he loves, Cantú joins the Border Patrol. He and his partners learn to track other humans under blistering sun and through frigid nights. They haul in the dead and deliver to detention those they find alive. Plagued by a growing awareness of his complicity in a dehumanizing enterprise, he abandons the Patrol for civilian life. But when an immigrant friend travels to Mexico to visit his dying mother and does not return, Cantú discovers that the border has migrated with him, and now he must know the full extent of the violence it wreaks, on both sides of the line.

William Carlos Williams and "The Red Wheelbarrow" University of Chicago Press

A boy meets an older woman at the zoo, and together they observe the animals while she tells him about the process of writing poetry. Includes an author's note about Marianne Moore.

Notes on Wonder Penguin

Learning becomes fun for everyone in this book about the geography of north American rivers and about the animals that live in this habitat. The amazing artwork in this book will inspire kids in classrooms and at home to appreciate the world around us! The great rivers of North America are teeming with life and on the pages of *Over in a River*—from blue herons in the Hudson to salmon in

the Columbia, and from dragonflies in the Rio Grande to mallards in the St. Lawrence. Children will "slither" like water snakes and "slide" like otters while singing to the tune of "Over in a Meadow." Read about the snake, beaver, frog, otter, dragonfly, and more that lives along the rivers! Kids love counting books, too! What a delightful way to learn about riparian habitats and geography at the same time! Backmatter Includes: Further information about rivers and the animals in this book! Music and song lyrics to "Over in the River" sung to the tune "Over in the Meadow"!

Once Upon a River Sleeping Bear Press

From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) *The Thirteenth Tale* comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*).

REVIEW OF A RIVER OF WORDS THE STORY OF WILLIAM CARLOS WILLIAMS BY JENNIFER FISHER BRYANT

- The book *Lord of the Flies* written by William Golding was a very good novel. It was a revelation to the real world. Golding is an awesome writer with a brilliant mind, he uses allegories and everything is a symbol. All of the characters stand for something or a certain group. For instance Jack stands for the bully and piggy stands for intelligence and civilization. The conch stands for order and authority and the paint the boys put on their face stands for chaos and savagery. My favorite part of this book was the death of Simon. It was so brutal yet it added so much meaning and mood to this story. In this book the author is showing us how we as humans behave and how our actions affect us. How we are all savages in reality even though some are worse than others. This book shows how the island was like a miniature world and how humans would act. The interesting part about this book was that at the time it took place a war was happening. The events related to what the adults were doing at the same time. I think that you should read this book in order to understand correctly our nature.

- I really don't know what kind of criteria this book met to receive as much acclamation over the years as it has, it is the absolute worst book I've ever read. Pessimistic, cynical, jaded and completely blind to the truth of the human condition, Golding uses this book as an opportunity to highlight the worst part of the human condition. Golding's message that mankind is imprisoned by civilization, and once we are freed from it we will return to "savage" roots is baseless and nihilistic. Save yourself the aggravation and do not read this book. If you are looking for a cautionary tale of some sort, read 1984 by George Orwell or anything other than this insulting piece of overrated literature.
