An unforgettable novel, based on a true story,

about racism against Italian Americans in the South in 1899. Fourteen-year-old Calogero, his uncles, and his cousins are six Sicilians living in the small town of Tallulah, Louisiana, miles from any of their countrymen. They grow vegetables and sell them at their stand and in their grocery store. Some people welcome the immigrants; most do not. Calogero's family is caught in the middle of tensions between the black and white communities. As Calogero struggles to adapt to Tallulah, he is startled and thrilled by the danger of midnight gator hunts in the bayou and by his powerful feelings for Patricia, a sharp-witted, sweet-natured black girl. Meanwhile,

every day, and every misunderstanding between the white community and the Sicilians, bring Calogero and his family closer to a terrifying, violent confrontation. In this affecting and unforgettable novel, Donna Jo Napoli's inspired research and spare, beautiful language take the classic immigrant story to new levels of emotion and searing truth. Alligator Bayou tells a story that all Americans should know.

The Mirror: Shattered Midnight is the second novel in the innovative four-book fairy-tale series written by Julie C. Dao, Dhonielle Clayton, J.C. Cervantes, and L. L. McKinney, following one family over several

generations, and the curse that plagues it. Zora Broussard has arrived in New Orleans with not much more than a bag of clothes, a beautiful voice, and a pair of enchanted red shoes. Running from a tragic accident caused by her magic, Zora wants nothing more than to blend in, as well as to avoid her overbearing aunt and mean-spirited cousins. Music becomes Zora's only means of escape, yet she wonders if she should give it all up to remove the powers that make her a target, especially as a Black woman in the South. But when Zora gets the chance to perform in a prominent jazz club, she meets a sweet white pianist named Phillip with magic of his own, including a strange mirror that

foretells their future together. Falling into a forbidden love, Zora and Phillip must keep their relationship a secret. And soon the two discover the complicated connection between their respective families, a connection that could lead to catastrophe for them both. In the era of segregation and speakeasies, Zora must change her destiny and fight for the one she loves . . . or risk losing everything.

*The Slow Regard of
Silent Things* Gollancz

David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the *Belgariad* and *Malloreon* sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the

champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal *The Book from the House at the End of the World*, Althalus is confronted by a cat—a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only

one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of The Book, the ancient God has been using the dark magic of his own Book to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* “Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike.”—*Library Journal* “The story takes off. The interactions

between characters, straightforward plotting, and doses of wry humor keep the tale humming.”—*Booklist* “An engaging young reprobate hero . . . [A] magical realm of good-natured fun.”—*Publishers Weekly* “A compelling, involving story.”—*Science Fiction Chronicle*
