REVIEW OF ANNE FRANK UNIT TEST ANSWER

- Please do not read all of the reviews about this book and believe that you will feel extremely confident AFTER you complete the test. I, like many others, thought that I had failed. However, after receiving my scores, I passed with flying colors in every section! Thus, I recommend this book, along with Rosenthal's CDs. I had not even had my class in Appraisal yet, and still passed the section. With that said, buy the book, READ the entire book (not merely the questions), and give yourself plenty of time to prepare! Good Luck!!

- I think this is a great book for anyone who might suspect they have endo or was just diagnosed with it. It was a great read lots of info!
